Race to collect your pizza toppings as fast as you can! In Pizza Party, you will roll ingredient dice to collect all the pizza toppings that match your slice. Both players roll their set of dice at the same time and the first to complete a whole pizza wins the game! (This game can be played many different ways, so feel free to make up your own rules! For example, you could play it in reverse and see who is able to eat their whole pizza first! By sharing the sets of dice, more than 2 players can play.)
