

Quick Start Instructions

Rainy Ranch (1-4 players)

(a co-operative game where you work together!)

How to Play:

1. **Put the three barn pieces** together as shown in the picture.
2. Place the cloud, the **5 rain drops**, and the **12 animals** to the side.
3. Choose if you want to play this time with the **animal** or **colour** dice.

4. Roll the dice. What do you see?

Playing with the animal dice? Do you see:

- an **animal**? That animal can go in the barn!
- a **barn**? You can put any animal in the barn!
- a **raindrop**? Uh-oh! Add 1 raindrop to the cloud.

Playing with the colour dice? Do you see:

- a **pink, white, brown, or yellow** circle? Find the animal that matches this colour. That animal can go in the barn!
- a **red star**? You can put any animal in the barn!
- a **blue** circle? Uh-oh! Add 1 raindrop to the cloud.

5. Did you get all 12 of your animals into the barn before your rain cloud filled up and it rains? Yay! Your animals will stay warm and dry! If you didn't, you can try again!
