

Spot It! Connect

Game Category: Card/Strategy

Competitive

Ages 6+

Playing time: 15 minutes

3-6 players

No reading required

Be the fastest to shout out (or point to) matching symbols! In Spot It! Connect, players race to match a symbol on their coloured card with any card on the table. When you find a matching symbol, you can connect your card along any of the 6 sides of the matching card. Try to connect your own colour cards in a row and also block other players from connecting their cards. The first player to connect 4 cards of their colour in a line wins!
