

Taiga

Game Category: Memory and Collect

Competitive

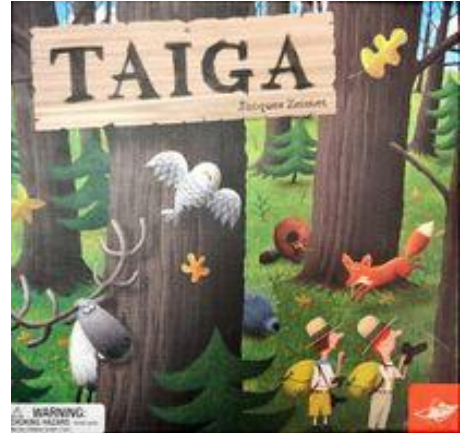

Ages 5+

Playing time: 15 minutes

2-6 players

No reading required

Simple addition (+1, +2) needed for scoring

In this game, players need to find a matching set of four animals in the taiga forest! Players turn over double-sided discs to find four of each animal that matches the chosen card of each round. If you flip the same animal as on the card, you gain a token. If you flip a different animal, you lose a token to a pile in the middle. If you find all four animals, you gain the card and all the tokens in the middle. The game continues until all the cards have been used, or players are done playing. Whoever has the most cards (worth 2 points) and tokens (worth 1 point) at the end of the game wins!
