 - Count 1-2-3- “Go!” together.
 - Everyone begin to **roll all your dice!** Do any of your dice...
 - **Match?** Put these dice to the side.
 - **Don’t match?** Re-roll all the unmatched dice to see if you can get more dice to match.
- Keep re-rolling as fast as you can and matching dice.
 - You’re allowed to change plans and reroll already matched dice, especially if you change your mind.

Game Ends:

- The first player to get all ten of their dice to match, wins!

Use with 77 Ways to Play Tenzi

This deck of cards provides 77 more ways to play Tenzi. Feel free as well to make up your own games as well!

1. **Popular Version:** Use the coloured cards with a pattern of dice faces. Each player receives 1 card. Follow the instructions above to see who completes their pattern first! After the first round, pass your card to the next player on the left. Play again until everyone has played all the cards and see who won the most rounds!
2. **Another way to play:** Put one of the coloured cards with a pattern in the middle of all players, and race to be the first to complete it. Then move on to a 2nd pattern cards up to a number of rounds of your choosing.
