### First Orchard (1–4 players)

(A co-operative game where you work together!)

How to play:

1. Set up by putting each type of fruit on one tree card, making the path for the raven towards the orchard of fruit trees, and putting the raven before the start of the path.
2. Roll the dice. If you get a:
  - a. **Colour:** put one piece of fruit of the same colour in the basket.
  - b. **Fruit basket:** put any one piece of fruit in the basket.
  - c. **Raven:** move the raven one spot forward on the path
3. If you get all the fruit in the basket before the raven gets to the end of the path to the orchard, you have won against the hungry raven!
4. If the raven gets to the orchard before you harvest all the fruit in the basket, then you have lost your fruit to the hungry raven!
