All Canadian Work Term data reported in Canadian Dollars.

Please Note: All hourly earnings data has been self-reported by students, and compiled by Co-Operative and Experiential Education (CEE) for the 2017 calendar year. Note that student-reported earnings have not been validated by other sources, and that earnings cannot be compared to the 2016 report due to revised methodology. Employers: Please contact your Account Manager with any questions.

Hourly earnings data does not include the value of alternative remuneration provided by employers. For example, the value of food, lodging and transportation reimbursements provided to some students have not been reported. In addition, hourly earnings data does not reflect earnings from potential overtime pay.
