

Gary Polhill:

When you're PM
and vot-ers want results
you can always build
MAR-KETS

When the lights go off
and it's all your fault
you know it's time to build
MAR-KETS

Sell public assets cheaply to investors in the City
Invisible hands will make ev'rything seem so pretty
How can you lose?

The lights will stay on ev'rywhere, you can wait for the bubble, and cash in your
shares
So build MAR-KETS
No-one's to blame if there's MAR-KETS
No need to feel shame if there's MAR-KETS
Bankers are waiting for you...

Dawn Parker:

When you are young and are employed in high-tech fields you can always live
DOWNTOWN

When you are out at coffee shops near the Hub you just might meet your mate
DOWNTOWN

Hipsters like good coffee avocado toast and whiskey
Investors buy small condos there in search of profits pretty
How can you lose?

The rents are much higher there
You can forget about greenspace, forget about cars
'cause your DOWNTOWN
Things will be great when you're DOWNTOWN

No finer place for sure DOWNTOWN
Everything's waiting for you ... downtown

When you've a mate and then you procreate then you can't always live
DOWNTOWN

When you need bedrooms and a playground for Junior then it's so far away from
DOWNTOWN

Now you need a car to go to work and dance and soccer
But prices now in Uptown they just set your heart a flutter
Where will you live now?

The price is much lower there, and they have two-car garages, though backyards
are bare

In the SUBURBS
where new construction waits SUBURBS
thanks to low mortgage rates SUBURBS
Everything's waiting for you! ... suburbs
