

REGULATION 1. Regulatory Framework

The purpose of this regulation is to provide procedures for enacting, amending and rescinding the regulations of the CS GSA in accordance with the constitution of the CS GSA.

1. The regulations duly enacted under the Constitution and this regulation shall have the enforceable power of the Constitution in all cases to which they are applicable and in which they are not inconsistent with the Constitution.
2. A regulation is enacted by two-thirds majority of the entire membership of voting members of the Board at a duly called meeting of the Board.
3. An amendment (including rescission) of a regulation, unless otherwise is provided in the regulation, shall be subject to the same rules as the enactment of regulations.
4. When a new regulation or an amendment to an existing regulation is proposed, the notice should be given at least 7 days prior to the meeting at which such proposal is dealt with by the Board.
5. For the purpose of applying the parliamentary rules of order, the regulations shall be considered equivalent to the bylaws.
6. Changes in regulations require the revision by the CS GSA president or a designated member, prior to the amendment or enactment of the regulation.

Enacted on March 17, 2020
