\(^1\)Only students in the accounting program may take BUS 486W as a BUS elective. BUS 486W is an anti-requisite for CS 490, so accounting students must take an additional CS 440-489 in place of CS 490.

\(^2\)BUS electives include BUS 3XX/4XX or ENTR 2XX/3XX/4XX, but excludes BUS 415W and BUS 486W.

\(^3\)Repeating a passed course to meet pre-requisite requirements does count as a repeat. This applies to CS 135, CS 136, MATH 135, MATH 137 (50-59%) and MATH 127, MATH 128 (50-69%). This only applies when the non-BUS GPA of 5.0 requirement has been satisfied.
Disclaimer: This checklist is a handy tool, but it is not a substitute for the official degree regulations. If there is a question of interpretation or a discrepancy, the University Calendar always takes precedence. You may complete the checklist and ask a BBA/BCS advisor to review it, but the student is ultimately responsible for ensuring that they have met their degree requirements.
