Oyster Mushroom Growing Workshop

Join us on **Tuesday, November 25th, 2014** from **1:30 pm to 3:30 pm** in **EV1-134** to take part in an Eco-friendly, Eco-nomic way of growing your own oyster mushrooms!

Detailed instructions on how to grow and tend to your oyster mushrooms will be given, as well as your own oyster mushroom starter kit to take home!

Email us at env.ecology@uwaterloo.ca to register, availability is limited so hurry!

Visit our oyster mushroom blog for more details on growing oyster mushrooms:
