Additional Resources Available on LEARN

The PPT overhead slides are posted on LEARN, at: 1165, ECON 102, Spring 2016

- The LEARN site is down occasionally. Download the slides to your computer. Always be prepared!
- Students writing tests and exams are responsible for saving course materials on Learn before the access to their courses is shut off (normally on the first day of classes of the next term).

Notes from the UW Bookstore

- Option 1: Macroeconomics (Paperback) Textbook bundle with, 8th ed Study Guide and MyEconLab ($109.95 + GST) (Note: The paperback bundle at the Bookstore is a special price negotiated with the publisher. It is the same price as the loose-leaf package with myeconlab)

Students who will be taking both ECON 101 and 102 (this term or in a subsequent term) may want to get the combined Economics: Canada in the Global Environment which has both Microeconomics (ECON 101) and Macroeconomics (ECON 102). In that case, the UW Book Store also has the following editions of the same text package:

- Option 2: Economics 9th ed (Hardcover) Textbook bundle with 8ed Study Guide and MyEconLab ($164.95 + GST),

In any case, buy only one of the two options above. The textbook is packaged with a free access code to MyEconLab (including e-textbook), and a free printed study guide. If you would like to purchase MyEconLab separately (with or without the e-textbook), please contact the UW Book Store.

Examination Policy

Missing a Midterm Due to Illness During the Term

• Missing a midterm will automatically result in a grade of zero for that midterm. If the illness can be documented with a UW Verification of Illness Form (the only acceptable document), with approval you may transfer the weight of the missed midterm to the final exam. This remedy is a privilege and not a right.
• Immediately upon your return, please deliver to me a hard copy of your medical document.
• The midterm schedule is set and will not be changed for any reason.

Missing the Final Exam Due to Illness

• Missing the final exam is a very serious matter which automatically results in a grade of zero for the final exam and possibly a failing grade for the course. Please carefully read the Economics Department policy on deferred final exams for instructions.
• No deferred final exam will be provided for students who missed all the exams (including the final exam) in this course. Deferred Final Exam Policy.

Submission of Exam Papers

• Late submission of exam papers is not accepted and missed submissions will receive a grade of zero for whatever reason.
• Exam papers must be submitted in whole and on time in the exam room. Exam papers (a) not submitted on time, (b) submitted with missing pages, (c) submitted elsewhere, with the exception of students with permission to write in the AS Office, (d) or not received at all will receive a grade of zero for whatever reason.
• It is the responsibility of students to ensure that they write exams in the location, date, and time assigned to their section. Students writing exams in the wrong section will be assessed a 20% penalty on the final exam grade. There will be no accommodation for possible differences in exam material or content.
Fee-Arranged Issues
Students are responsible for administrative matters concerning their course registration including fee arrangements. No make-up work or other remedies will be given for loss of access to LEARN and academic consequences arising from administrative issues with the Registrar’s Office.

Institutional-required statements for undergraduate course outlines approved by Senate Undergraduate Council, April 14, 2009

Cross-listed course
Please note that a cross-listed course will count in all respective averages no matter under which rubric it has been taken. For example, a PHIL/PSCI cross-list will count in a Philosophy major average, even if the course was taken under the Political Science rubric.

*Academic Integrity:* In order to maintain a culture of academic integrity, members of the University of
Waterloo are expected to promote honesty, trust, fairness, respect and responsibility. See the UWaterloo Academic Integrity Webpage (https://uwaterloo.ca/academic-integrity/) and the Arts Academic Integrity Office Webpage (http://arts.uwaterloo.ca/current-undergraduates/academic-responsibility) for more information.

**Discipline:** A student is expected to know what constitutes academic integrity, to avoid committing academic offenses, and to take responsibility for his/her actions. A student who is unsure whether an action constitutes an offense, or who needs help in learning how to avoid offenses (e.g., plagiarism, cheating) or about “rules” for group work/collaboration should seek guidance from the course professor, academic advisor, or the Undergraduate Associate Dean. When misconduct has been found to have occurred, **including writing exams in a section that you are not registered in**, disciplinary penalties will be imposed under Policy 71 – Student Discipline. For information on categories of offenses and types of penalties, students should refer to Policy 71 - Student Discipline. For typical penalties check Guidelines for the Assessment of Penalties (http://www.adm.uwaterloo.ca/infosec/guidelines/penaltyguidelines.htm).

**Grievance:** A student who believes that a decision affecting some aspect of his/her university life has been unfair or unreasonable may have grounds for initiating a grievance. Read Policy 70 - Student Petitions and Grievances, Section 4. In addition, read the Student Grievance Process for the Faculty of Arts.

**Appeals:** A student may appeal the finding and/or penalty in a decision made under Policy 70 - Student Petitions and Grievances (other than regarding a petition) or Policy 71 - Student Discipline if a ground for an appeal can be established. Read Policy 72 - Student Appeals.
