Canadian Technical Centre

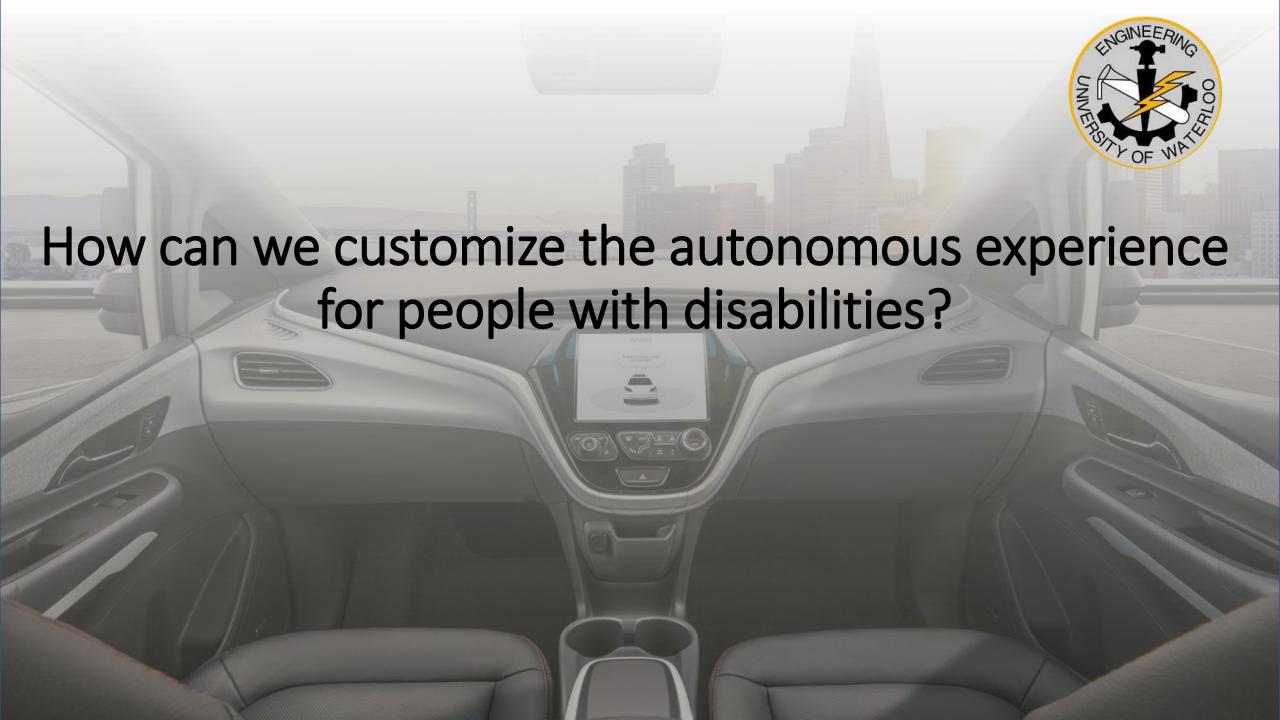

GENERAL MOTORS

We want to invite YOU to Innovate with GM Canada

- \$2,500 in seed funding
- One-on-One mentorship with GM Canada Engineers throughout your project
- Showcase your ideas to GM Leadership at the Canada Technical Center
- Make an impact by working on real problems facing the future of transportation

Evaluation Criteria

Ideation

How innovative and creative is the solution?

Feasibility

How feasible is the solution for implementation?

Safety

Has safe operation been considered in the design?

Customer centric

How well does the solution meet the needs of the end user?

Integration

How easy is it to integrate into our existing systems?

Expandability

What is the potential for the idea to become a business?
