<td>Start / end date of exchange:</td>
</tr>
<tr>
<td>Last completed academic term before departure: 2B / 3A / 3B; Fall ___ / Winter ___ / Spring ___</td>
<td></td>
</tr>
</tbody>
</table>

Important notes

1. Acceptance for credit at UW of a subject taken on exchange is decided solely by the Undergraduate Advisor / Coordinator of the student’s home department, on an individual case basis.
2. Acceptance of course equivalents prior to exchange is provisional, and subject to final approval upon student’s return to UW.
3. It is the responsibility of the student to return from exchange with sufficient information about the course content of each course taken to enable the home department Advisor/Coordinator to reach a final decision concerning credit transfers.
4. If courses are taken on exchange, other than those listed below, acceptance for credit transfer is the prerogative of the home department Advisor/Coordinator.

Course approval designations

"A" Program core course
"B" Program technical elective (TE)
"C" Complementary studies electives (CSE)
"D" Other course
