

# GRAND OPENING

Engineering 6 Building » University of Waterloo

**Feridun Hamdullahpur**,  
President, University of Waterloo,  
and **Adel Sedra**, Dean, Faculty of  
Engineering, invite you to attend  
the grand opening celebrations  
of the **Engineering 6 building**.

**WATERLOO | ENGINEERING**

Engineering 6 Building » The Woodbridge Group Atrium

This five-storey \$42 million, 115,000-square-foot building is the new home for Chemical Engineering. It has been designed for innovation and discovery, and features state-of-the-art research labs, collaborative student design space, and modern seminar rooms.

## With thanks

to our generous donors and to the Government of Canada and the Government of Ontario for supporting this project through the Knowledge Infrastructure Program.
