## Class of '70 Electrical

55<sup>th</sup> Class Reunion.....

*Reunion Dates*  
June 6,7 -2025

“which way to that co-op job?”

### Fellow Grads !

Please hold these dates: June 6,7, 2025 for our rendezvous at the University and to check out the Waterloo area..... for those that don't get back to Waterloo very often, you won't believe the changes around the 'ole stomping grounds-Waterloo is now almost all the way out to Heidelberg !!

**Once again, we'll be kick-starting the *Reunion Weekend* with a Class Event (along with the Civil boys) out at the Heidelberg Inn (the Blue Moon is long gone) on the Friday night with a round of ribs 'n pig tails and draft ! We'll meet at the ground floor Party Room around 6:00pm and relive old times and get caught up on all the important news. **Could you kindly let us know if you are coming to the Heidelberg, as we need to work out the dinner/food arrangements- more details to follow!****

It'll be 10 years since our last reunion (45<sup>th</sup>), as our 50<sup>th</sup> was cancelled due to COVID. We had a great turnout for the 45<sup>th</sup> and it would be fantastic to see you, once again !!

- The kids have moved out (we hope!)
- All are now retired (we hope!)
- Share stories old and new

As your Class Reps for this reunion, please contact us & we'll see you in Waterloo.....

Best regards,

*jack b & herb w*
