

## Mech Eng Class of 1974

Let's Renew our Vows  
Let's Renew our Bonds

## Hymn of Breaking Strain

**“The careful text-books measure  
(Let all who build beware!)  
The load, the shock, the pressure  
Material can bear.  
So, when the buckled girder  
Lets down the grinding span,  
The blame of loss, or murder,  
Is laid upon the man.  
*Not on the Stuff — the Man! “***

Let's get together 50 years later at our Reunion on June 1, to relive that shared enthusiasm and revisit then and now.
