

University of Waterloo | Faculty of Engineering
Proposed Study Plan for Exchange

| | |
|--|--|
| Student name: | UW ID#: |
| Eng'g Program/Stream: | UW email: |
| Expected year of graduation: | Exchange institution/country: |
| UW Term(s) replaced: 3A / 3B / 4A / | Start & end date of exchange: |
| Last completed academic term before departure: 2B / 3A / 3B; Fall ___ / Winter ___ / Spring ___ | |

- Important Notes for Students and Advisors:**
1. Acceptance for credit at UW of a subject taken on exchange is decided solely by the Exchange Coordinator of the student's home department, on an individual case basis.
 2. Acceptance of course equivalents prior to exchange is provisional, and subject to final approval upon student's return to UW.
 3. It is the responsibility of the student to return from exchange with sufficient information about the course content of each course taken to enable the home department Advisor/Coordinator to reach a final decision concerning credit transfers.
 4. If courses are taken on exchange, other than those listed below, acceptance for credit transfer is the prerogative of the home department exchange coordinator.

Course approval designations:

| | | | |
|-----|---------------------------------------|-----|--------------------------------|
| "A" | Program Core Course | "D" | Natural Science Elective (NSE) |
| "B" | Program Technical Elective (TE) | "E" | Other course |
| "C" | Complementary Studies Electives (CSE) | | |

| UW Course (number and title), incl. URL | Exchange Course (number and title), incl. URL | Approval Designation (see above) |
