This course will introduce you to some of the common forms, genres, issues and controversies of the "younger" Romantics. It is absolutely essential that all texts be read by the prescribed date, before you get to class. Assignments are due on the dates indicated, and I will deduct one percentage point per week-day for unexcused lateness.

In accordance with university regulations, please be advised that cheating and plagiarism are very serious academic offenses. Anyone who represents the work or thought of someone else as his/her own, will be subject to the disciplinary code of the University of Waterloo. If you have any doubt at all about the meaning or interpretation of plagiarism, please do not hesitate to talk to me before the first assignment.
