Notices

For the EB program your schedule is largely fixed by the core courses you need to take. You will be block-enrolled as shown on this sheet.
 Theme electives are required: two at the 200/300 level and two at the 400 level.
 Deviations you choose to make to this recommended sequence need to be documented with Cheri Oestreich.
 A minimum of 70% is required to graduate in the 40 required courses, of which 27 courses must be at or above the 200 level.
 Options/Minors/Specializations are available to you to add to your degree - see advisor before year two.
 Student must meet with advisor before the end of two year to verify degree requirements.
 International academic exchange opportunities are available; planning must be done one year prior.

Notes

* ESL 129R must be taken if student has not met the ELPE requirement by September start date.
