 - i. Please follow guidelines
 - 1. The fee to rent a locker for the term is \$20 which is paid as a **deposit**. The renter will get their money back at the end of the term once they show us their locker is clean and empty. It's important to collect this deposit, otherwise people have very little incentive to clean out their locker at the end of the term.
 - 2. ESS provides the locks, and they stay with the lockers - we reset the combinations at the end of each term using the reset keys. Renters don't tell us their combination, but we do have a set of master keys (must be kept in the safe) that can be used

- for emergencies only. Renters have to use the ESS provided locks, they can't bring their own.
- 3. We have locker rental agreement forms that need to be signed before we provide them with the locker. Printouts are found at the office.
