

Policy I: Poster and Poster Use

Whereas the Environment Students' Society (ESS) is given jurisdiction over certain locations for posters throughout the Environment buildings.

Be it resolved that,

- i) ESS reserves final discretion over poster approval and removal.
- ii) ESS will not be responsible for posting or removal of posters.
- iii) To be approved, a poster must concern a student group or event. Exceptions can be made at the discretion of ESS Council.
- iv) To be approved, a poster will be brought first for approval to the ESS office during office hours, to be affixed with the stamp of approval from an ESS Council member.
- v) To be approved, no more than ten (10) letter size (8.5" x 11") posters, or no more than three (3) posters on larger than letter size paper.
- vi) To be approved, a date for the event or recruitment period should be provided, and posters must be removed within three (3) days of the event.
- vii) No poster may be posted for longer than 3 weeks in a single term.
- viii) Posters must be posted only on ESS-labelled bulletin boards.
- ix) No poster may be posted on any door or window of public space in any Environment building.
- x) Only on-campus organizations and non-profit off-campus organizations are allowed to put posters on ESS bulletin boards.

- x) In the event that posters are not removed within the given time, ESS may, at their discretion, both remove posters, and note the negligence for future reference in deciding upon granting poster approval.
- xi) Organizations or individuals that do not follow this policy are subject to loss of future poster privileges.
