Neil Carnegie, Manager, Facilities & Space Planning
Carol Knipe, Faculty Undergraduate Coordinator
Sandra Ramautarsingh, Faculty Research Coordinator
Cynthiya Subramaniam, Administrator, Graduate Studies

The Chair confirmed quorum and opened the meeting at 9:00 am. The Chair shared a copy of the Environment Constitution (attached) and went through the process for bringing items to the agenda for Faculty Council. He shared the composition of Administrative Committee, the body who determines the agenda for Faculty Council two weeks before the Faculty Council meeting. The best way to bring an item to Faculty Council is to bring the item to the attention of the appropriate member of Administrative Committee: either an Associate Dean, a Department Chair, a School Director, or a Department Director (Advancement, MAD, Strategic Initiatives, Executive Officer).

The Chair also briefly reviewed Robert's Rules of Order for speaking, how frequently members can speak, and voting.

Motion to approve the Agenda:

Courtenay, Johnson. Carried

Motion to approve the Minutes of the January 19, 2023 meeting

Wandel, Wood. Carried

Business Arising: None

Waterloo Awards Committee Recommendations:

Guests Bernard Duncker and Susan Elliott were not in attendance, so this item was skipped. Bernard and Susan have been rescheduled to the April 20 FLIE meeting.

Dean's Report:

- 1) **Special Meeting of the Environment Faculty Council:** (formerly known as General Assembly)
 - a) May 17, 2023 12:00 pm – 2:30 pm
 - b) Beginning with lunch
 - c) Annual Reports from constituencies – five-minute presentations each, no performance required, just the highlights of your year, things you think will be of interest to folks in attendance.
- 2) **Convocation:**
 - a) The University is reviewing Convocation and have undertaken several initiatives to bring about more participation among faculty members. Our students are important to us, and convocation is important to them, so it should follow that convocation would be important to us. If you are interested in filling any of the following roles, please let Juli-Ann know and she will communicate your interest to the folks at convocation:
 - i) Mace Bearer
 - ii) Diploma Presenter – get your picture taken with the students, gives you a chance to congratulate your students.
 - iii) Hooders – another opportunity to personally congratulate your students

Undergraduate Studies Update:

Johanna Wandel, Associate Dean, Undergraduate Studies

Johanna shared a few slides, which are attached.

- 1) Non-numeric grading: the various codes and their explanations were shared
 - a) INC needs to be initiated by the student – this code is overused in other faculties. A process was outlined for submitting these non-numeric grades. These are also outlined in the end of term memo.
- 2) Beginning, middle, and end of term memos – these are valuable. Faculty are encouraged to look at them and to provide input/feedback on items they want to see in the memos.

Graduate Studies Update

Peter Deadman, Associate Dean, Graduate Studies

- 1) The Associate Dean, Grad Studies announced that new Post-Docs are coming to campus through the AMTD, Interdisciplinary, and Black and Indigenous programs. There are 13 new post-docs who will be arriving, a couple of whom are from Environment. Keep your eyes out for an announcement.
- 2) Offer Season at the grad level. Grad admin team is working hard to get offers out. Anything you can do to assist, to sweeten the offers to convert applicants into students would be greatly appreciated.

Approvals:

1) Course Changes for Approval

- a) GGOV654: Cross list with PSCI 610
- b) GGOV 655: Cross list with PSCI 611
- c) GGOV 660/SUSM 660: Cross list with PSCI 609

Motion to approve: Deadman, Wood. Approved

Motion to approve: Deadman, Nayak. Approved

Equity, Diversity, Inclusion and Justice update

Prateep Nayak, Associate Dean, Equity, Diversity, Inclusion and Justice

Neil Carnegie, Manager, Facilities & Space Planning

- 1) Moccasin Identifier Mural Project - The objective of the Moccasin identifier Project is to advance treaty and indigenous awareness by covering Canada in moccasins.
- 2) EDIJ Multipurpose Room in EV3/ Four buildings on campus that offer a prayer space, no where on this side of campus. We are in the early stages of looking at a room on the 4th floor of EV3. Discussions on the spaces will be inclusive and collaborative.

If you are interested in participating in either of these initiatives, please reach out to Prateep Nayak. There will be an email circulated in the coming week to invite folks to join the initiatives.

Research Update:

Rob de Loe, Associate Dean, Research

Rob shared a resource page from the ENV website: <https://uwaterloo.ca/environment-faculty-staff-resources/research-funding>. Please refer to this when you are looking for support for your research applications. The resource provides an overview of the research application process for proposals, and links to key documents, including the matching funding and in-kind support letters of request.

SSHRC is no longer counting space contributions as 'cash' for the purpose of matching funds unless it can be shown that the researcher would have been charged for their space. The other change relates to course buyouts and the conditions under which they will be considered. Please be aware of the resource.

The Associate Dean thanked everyone for their energy and contributions.

Congratulations to Suzanne Kearns and the WISA team for their recent success with grants.

University Research Chairs competition process has changed. Based on this year's experience the process will be written down and formalized for more transparency going forward.

Undergraduate Student Research Award process has now opened. It has moved under the umbrella of the AD Research. Thank you to Eileen in the Dean's Office for her support of the process. Please remember to review the eligibility criteria for the general and specific competitions. There will be reminders when the call goes out.

There was a question about faculty contributions. Cash still counts, but in-kind does not count for matching.

Work Integrated Learning Update

Mike Wood, Associate Dean, Work Integrated Learning

The Associate Dean shared a slide to support the following updates:

- 1) March 9 Co-op Students of the Year Presentations
 - a. Breanna DeFreitas
- 2) Co-op Employment Update for Winter 2023
- 3) Overview of his role and ways to engage with the role and how he can support the faculty.

MAD Update

Don Duff-McCracken, Director of MAD

Don updated council on some HR changes. They have many changes going on – they are going through a Work Force Planning process. They have a few retirements coming up in the next couple of years. If anyone would like to chat with Don about the WFP process, he is more than happy to meet.

Strategic Planning and Communications Update

Rebecca Wickens, Director of Strategic Initiatives and Communications

The Director shared that there were initiatives underway, most of which were still in the early stages. She mentioned that she has been connecting with folks across campus to be able to leverage resources to engage with our initiatives.

Chantal Vallis joined us as the Manager of Communications. She is working on transitioning our website from WCMS 2 to WCMS 3. There is currently a cleanup of our website underway.

If you are working on something and expect it to be a news story in the faculty, the university, or beyond, please let them know what you are working on, and they will amplify the story. Also, send Chantal names of any students who are graduating who can be profiled.

Teaching Fellow Update

Christine Barbeau, Faculty Teaching Fellow

The Teaching Fellow began by introducing herself and her role, which is evolving to be a conduit between central administration and the faculty. One item that is coming is the Peer Review of Teaching. AODA guidelines are coming. She is currently auditing a first-year course for accessibility. She is hoping to run another session on AI, this time focusing on Co-Pilot, which is the AI platform being put into MS Office. If you need any support, please reach out.

Advancement Update

Maryam Latifpoor-Keparoutis

Mark your calendars for the following dates:

June 13, 2023 2:30-5:30 pm for Spring Convocation, and
October 20, 2023 2:30-5:30 for Fall Convocation.

Convocation is a huge undertaking. Please volunteer where you can. Please join us in the ENV tent after convocation to mingle with students and their families.

The Director of Advancement shared a slide about Campaign Waterloo and shared some of the activities associated with campaign planning.

TD Walter Bean update and debrief. 2023 recipients will be announced once they are finalized.
