No action is required to receive a report. If Council decides to adopt or accept a report, then it is endorsing the entire report and
5. Executive Reports

   Representatives includes all voting and non-voting members of Council, excluding the Executive, and the Question Period shall last no longer than 10 minutes.

8. Standing Committees and Special Committees of Council Question Period

SPECIAL ORDERS
A special order is an item of business that will take precedence over all other business at the designated time for the special order. As it suspends the normal rule that each item must be disposed of before another can be brought up, setting or removing a special order requires a two-thirds vote unless originally included in the agenda.

UNFINISHED BUSINESS AND GENERAL ORDERS
Unfinished business is business carried on to a meeting from the previous meeting. A general order is an item of business that is ordered to be taken up at a meeting. The most important thing that the agenda does is set general orders and their relative ordering. Time limits to discussions indicate the point at which the Speaker will end the discussion unless Council directs otherwise.

13. **Motion** (Councillor Darby Barton): “BIRT Council adopt the following stance on the University’s new calculator policy:

   Whereas most students in the University require a calculator to pass at least one graduation requirement.
   Whereas the student body was not consulted in the creation of the new calculator policy stated here.
   Whereas based on feedback given directly by students, students do not support moving to one calculator.
   Whereas learning to use a new calculator can be a serious inconvenience for students when doing exams and assessments.
   Whereas asking students to purchase a new calculator is an undue hardship.

   BIRT the Federation of Students will advocate for a change in calculator policy in line with the feedback from students.
   BIFRT more than one calculator and calculator brand will be approved for use in midterm and final examinations in the University.
   BIFRT that the approved list of calculators will contain those which students feel most comfortable using.
   BIFRT that the approved list of calculators will contain those which many students already own, so new ones do not need to be purchased.”

**NEW BUSINESS**
Any Councillor may raise any item of concern during New Business. Generally, long discussions without a specific motion before Council should be avoided, and are technically against the rules of procedure. If a Councillor has any questions about the procedure, form, or content, they should ask the Speaker.
