Whereas expenses related to the Director of Commercial Operations were funded out of student dues in the 2018-2019 Federation budget;

Whereas the Budget and Appropriations Committee said that such expenditures must be covered from student dues as a fee increase approved by members in the Winter 2015 General Meeting was, in part, earmarked for the purpose of creating this position;

Whereas Student fees should not be subsidizing Commercial Operations;

Whereas the Director of Commercial Operations’ priorities are focused on the Federation’s Commercial Operations;

Whereas paying for the Director of Commercial Operations’ office and salary out of the General Operating Budget is an indirect subsidy of Commercial Operations;

Whereas Students’ Council has ultimate oversight of and power to determine student priorities in the expenditure of members’ fees pursuant to Article 8 §7(2) of the bylaws;

BIRT Council deems that, contrary to any past General Meeting motion, the salary and expenses related to the position of the Director of Commercial Operations should be funded from the Commercial Services budget and not from any student dues or fees.

BIFRT Council urges the Board of Directors to make the necessary changes to shift the aforementioned expenditures towards the Commercial Services budget no later than the end of the current fiscal year.

Communication of Standardized Leasing Options

Whereas a new standardized lease was recently introduced in Ontario and has been mandatory for all lease signings since April 30, 2018,

Whereas large housing companies in Waterloo have taken advantage lack of awareness of tenant rights among the student body to trounce tenant rights in the past,

Whereas awareness of legal rights is an important first step to start and sustain a conversation about tenant rights in the area;

BIRT Council tasks the Vice President, Education or a Commissioner under his portfolio to make a post about the mandatory standardized lease and the benefits it provides, and share it on social media channels;

BIFRT Council tasks the Vice President, Education to lobby Off Campus Housing to advertise the standardized lease to students;

BIFRT the Federation advertise the standardized lease on its platforms, such as the Off Campus Community.

— Bilal Akhtar & Deon Hua

New Business

Any Councillor may raise any item of concern during new business. Generally, long discussions without a specific motion before Council should be avoided, and are technically against the rules of procedure. If a Councillor has any questions about the procedure, form, or content, they should ask the Speaker.

Adjournment

Adjournment scheduled at 4:30 PM.
