WALKING DIRECTIONS FROM UPTOWN WATERLOO:

The shortest (and nicest route) is the trail through Waterloo Park, a 15-20 minute flat terrain walk. (The new LRT right beside the trail is not yet functional – the City is waiting for the trains.)

See map on next page.

- After crossing University Ave., continue on paved walking/bike path beside railway tracks.
- Turn right across the tracks at the first opening in the fence, just before the very large all-glass Engineering building (E5/7).
- Walk beside E5/7 & turn left at the end of the building, walking between E5/7 & E6.
- You will see a single-storey, warehouse-looking building with red doors: that’s Fine Arts & UWAG (East Campus Hall)
- Inside Fine Arts, the Registration Desk is near UWAG at the east end of the building. Follow the wide twisting main corridor lined with student art (there is only main corridor) or ask anyone to point you to UWAG.
