1. Dinner – Mudie’s, Village 1

2. Presentation – Jennifer McCorriston MSc, BKin, Associate Director, Health Promotions University of Waterloo
   - What is health promotion? –The process of enabling people to increase control over, and to improve, their health. It moves beyond a focus on individual behavior towards a wide range of social and environmental interventions.
     - A framework that reflects the latest concepts, processes and principles relevant to the Health Promoting Universities and Colleges movement.

3. Sub-Committee Presentation
   a. Survey Team – Going to be doing digital surveys as well as paper surveys.
   b. Travelling Tummies – Will be traveling to Guelph and St. Jeromes.
      Some of the things they will be measuring are: food quality, food variety, value, cleanliness, atmosphere, hours of operation, recycling program, navigating the eatery (do they display their healthy food options), and events they do.
      - Questions for the staff will range from – accommodations for dietary restrictions, international selections, health programs.
c. Mystery Shopper – Will be measuring: customer service, value, cleanliness, overall time to get their food,

4. General Discussion

5. Next Meeting: Wednesday, March 28 – V1 Multipurpose Room
