DISCOVER YOUR STORY AT ST. JEROME’S
Welcome to St. Jerome’s University! We are the federated university partner of the University of Waterloo. In the pages that follow you will literally get a snapshot of the life-changing experiences that await you on our beautiful and vibrant campus of this world-renowned Canadian University. Here we offer students the best of both worlds.

Our mission is rooted in the importance of education and human formation. This means we recognize learning takes place across the spectrum of opportunities we make available to our students – in our classrooms, labs, and library, but also in our vibrant programs of residence and student life, in campus ministry and in service and experiential learning. In an era of rapid change, where students are preparing for careers that in many areas have yet to be invented, both education and human formation will be critical to building your skills and your resiliency.

At St. Jerome’s, our goal is to help to change the lives of our students as young adults. Our emphasis on the liberal arts, critical thinking, and intellectual rigour offers students the breadth of education that they will need to serve the world of the future, while also forming them as leaders of conscience who will be capable of reflection and action. Our commitment to smaller classes and accessible and friendly staff and faculty reflects our understanding of our students as ‘whole people’, possessed of minds, bodies and spirits.

I hope that this viewbook is only the first gateway through which you will begin to explore the numerous possibilities you will find to explore your human potential here at St. Jerome’s.

Welcome to St. Jerome’s University. Remember: You belong here!

St. Jerome’s has been graduating compassionate and exemplary leaders since 1865. A degree in the Arts will equip you with essential skills like communication, collaboration, and critical thinking – so you will be ready for any experience after graduation. You’ll not only learn how to solve problems, but also be challenged to ask which problems to solve and why – preparing you for positions of leadership and civic engagement.
Most of the Majors listed can be completed as eight-course Minors. Students will have the freedom and flexibility to explore courses offered at Waterloo as well as at St. Jerome’s.

ANDREW CHAN, HONOURS ARTS – ENGLISH

“The English program allows me to explore various areas of academic interest within the Arts. The smaller class sizes at St. Jerome’s allow me to engage in thoughtful debates and discussions with my professors and peers.”

YOUR CO-OP EXPERIENCE

All students at St. Jerome’s can apply to Waterloo’s co-op program. With a network of over 7,500 co-op employers, it is the largest co-op program of its kind in the world. Co-op provides the opportunity to explore potential careers and graduate with up to two years of relevant work experience. Students alternate between four month academic terms and four month work terms while earning their degree. Use the QR Code to learn more about co-op.

KAT MOLLER
HONOURS ARTS – LEGAL STUDIES AND SOCIOLOGY

“As a Human Resources & Administrative Associate, my co-op term has been both enjoyable and educational. It has allowed me to explore different career options and to build skills you can’t learn in a classroom.”
Co-op is available in any Honours Arts or Honours Arts & Business major.

**HOW DOES IT WORK?**

Prior to your work term, you will apply to jobs that interest you. You will have the opportunity to take workshops to develop interview skills, résumé writing techniques, and more. While every student’s co-op experience will differ depending on their goals and academic path, you can look forward to expanding your résumé with unique employment opportunities.

Since 1865, St. Jerome’s University has been providing an undergraduate experience that prioritizes intellectual and personal development. We graduate compassionate leaders through education and character formation – offering a robust combination of academic and personal supports that follow students from orientation through to commencement.

LARISSA FARIA – HONOURS ARTS, LEGAL STUDIES

“The supports available at St. Jerome’s helped me immensely, especially during my first year. I was grateful to have a supportive team of staff available to listen to me and connect me to more resources. Overall, this made the transition into university much smoother.”
ACADEMIC SUPPORTS

CENTRALIZED STUDENT ADVISING
As a St. Jerome’s student, you’ll enjoy one-to-one student advising, that puts you face-to-face with your personal advisor when you need them – say goodbye to long wait times and generic emails. Your first-year advisor will quickly become your designated contact for all of your academic advising needs, and, after first-year, you’ll seamlessly transition into the care of your upper year advisors. Your advisors will get to know you, and your unique story, while being a constant support throughout your academic journey.

SMALL CLASS SIZES
Our commitment to supporting your academic success begins in the classroom. At St. Jerome’s, you’ll find yourself in small class sizes – small enough to facilitate questions, debate, and discussion. Smaller class sizes equate to more accessible professors, stronger connections with other students, and more engaging conversations in the classroom.

PEER MENTORSHIP
In addition to supportive staff and faculty, you’ll be able to call on a variety of peer supports as you move through your undergraduate experience. Peer Academic Leaders (PALs) provide student-to-student academic supports and can help you build strong study habits, create the perfect timetable, or point you in the right direction for more help. There are a variety of upper year student leadership positions at St. Jerome’s that allow our first-year students to learn from senior students – which often results in friendships that last a lifetime.

PERSONAL SUPPORTS

STUDENT AFFAIRS
The St. Jerome’s Student Affairs Office is a team of dedicated and approachable staff who work to support your academic, personal, spiritual, and social development. These supports include fostering opportunities for leadership, introducing you to service learning initiatives, and helping you connect more broadly with the St. Jerome’s student community.

CAMPUS MINISTRY
Campus Ministry is your on-campus hub for community building programming, volunteer opportunities, and worship. Our Director of Campus Ministry is a designated support for all students – supporting their spiritual and personal growth. Through events, projects, and gatherings, St. Jerome’s encourages all of our students to be their fullest, truest, and most authentic selves.

RESIDENCE DONs
An academic, social, and personal support right down the hall – the St. Jerome’s Don Team makes it quick and easy to access the residence supports you need. Our Don Team is First Aid trained, SAFETalk trained, and are a great resource if you’re looking for someone close by to lend a listening ear. Your Residence Don will also plan floor events, connect you to support staff, and will be a valuable peer mentor as you transition from high school to university.

REGISTRAR’S OFFICE
Supporting you from application to graduation – the Registrar’s Office is a broad support for applicants and current students alike. Questions about scholarships? Want to know more about co-registration? Connect with a Recruiter, or book a personalized campus tour. This team of support staff are eager to welcome you to St. Jerome’s.

Remember, St. Jerome’s students are also Waterloo students, which means you will have two institutions supporting your success.
Student leadership positions at St. Jerome’s surpass the industry standard per-capita. Our students lean in, get involved, and champion positive change within and beyond their campus community. Start your own club, run for a position on Students’ Union, or plan a wellness workshop in residence – the opportunities are virtually endless at St. Jerome’s.
STUDENTS’ UNION

The St. Jerome’s University Students’ Union helps foster our sense of community, while supporting the academic and personal needs of students. They work with staff, faculty, and administration to advocate for the student body, and are a driving force behind what makes the St. Jerome’s student experience so distinct. Becoming involved in student government can begin as early as first year, and you can join the Waterloo Undergraduate Student Association (WUSA) to double your involvement and double your impact.

LEADERSHIP POSITIONS

Developing your supervisory, team building, and project management skills in a supportive community like St. Jerome’s gives you both the confidence and know-how to lead and make positive change. There are over 100 leadership positions in various departments on campus for you to discover – in Residence, Student Affairs, Campus Ministry, Student Government, Campus Wellness, and more.

CIVIC ENGAGEMENT

St. Jerome’s students give back. With so many volunteer opportunities available - both on and off campus - it’s easy to fuel your passions through civic engagement. You could team up with other St. Jerome’s students to raise money for Relay for Life, spend an afternoon at St. John’s Kitchen in downtown Kitchener, or embark on an international Service Learning project. There are plenty of on-campus resources at St. Jerome’s to get you started.

BRENDAN WHITTLE – HONOURS ARTS & BUSINESS, FORMER STUDENTS’ UNION PRESIDENT

“The Students’ Union is vital to the student body. We participate in council meetings like the St. Jerome’s Board of Governors and the Council of Presidents. Students’ Union is always advocating for what needs to happen next so that students have the best experience possible. Holding a position on Students’ Union is a great opportunity for young people to make big change - and I will always recommend people to join it!”

At St. Jerome’s, there are countless ways to strengthen your résumé and develop your soft skills. You can join over 250 student run clubs at both Waterloo and St. Jerome’s – or even start your own club!
SERVICE LEARNING

Service Learning is how we describe education that reaches beyond the classroom, to involve your sense of compassion, responsibility, and understanding. Participate locally, or abroad - and bring what you’re learning in the classroom into a real-world, community-based setting. Service Learning encourages you to step outside your comfort zone, to learn about solidarity, culture, and community, and to respect the dignity of all people.

BEYOND BORDERS
Encounter the realities of life in a developing country. Beyond Borders is an academically-centered immersive experience that combines course work with a solidarity-focused placement in a grassroots development organization.

SJU IN PERU
St. Jerome’s has an exclusive partnership with our coffee supplier Planet Bean, which gives students the unique opportunity to understand justice and equity as you learn from coffee farmers in Peru. This short-term, interactive experience allows you to discover the role you play in systems of globalization.

BEYOND U
Dive beneath the surface of our urban culture-scape and learn the complexity of local social justice issues. Your immersive internship with a local not-for-profit organization will be followed by a post-experience reflection project.

ENCOUNTERKW
This is an interactive, for-credit experience in which you will explore and cultivate deeper community connections, and examine your role in responding to a specific social justice issue in the Kitchener-Waterloo area.
APPLICATION PROCESS
Plan ahead – chat with your Service Learning Program Coordinator at St. Jerome’s if you’re interested in participating. Once you’re ready to apply, you’ll complete your written application, and in-person interview.

MEET YOUR COHORT
Build meaningful connections with like-minded students, and develop a support network that will learn alongside you as you embark on your service learning experience.

PREPARE FOR MINDFUL SERVICE
› Service learning is more than showing up and doing good work. You’ll be integrating into participating in, and supporting sustainable and justice-oriented initiatives. This takes thoughtful preparation.
› Pre-departure orientations involve retreats, workshops, short-term volunteering, and sometimes academic coursework focusing on ethics, cross-cultural competency, critical reflection, and more.

EXPAND YOUR BOUNDARIES
› Whether locally or abroad, students have the chance to serve a variety of non-profit organizations
› Placements include areas such as education, public health, fair trade, non-profit administration and communications, housing, food security, and more.
› If you want to explore the world of community service or explore a different context, St. Jerome’s has an experience for you.

IMMERSE YOURSELF IN COMMUNITY
› Service learning is more than just a placement. It’s a chance to build meaningful relationships with local and global communities.
› Be prepared to meet people with wide ranging lived experiences, learn their stories, and share your own.
› Be open to learning a new skill, embracing a new language, or trying a new food. Let the people you meet expand your boundaries.

GROW YOUR WORLDVIEW
› Our students tell us that service learning opens their eyes to possibilities that they hadn’t yet imagined.
› The experience of stepping outside your comfort zone builds resilience and broadens your understanding of active global citizenship.

LANA DADSON – HONOURS ARTS & BUSINESS, BEYOND BORDERS
“This experience has given me so many things. I grew my knowledge of the Spanish language, experienced a new culture, and built skills around cross-cultural communication. Working with an organization that was very focused on acting in partnership with those they served expanded my appreciation for indigenous peoples and their traditional knowledge. I was also lucky to be in Guatemala during an election where I was able to connect what I had learned about the socio-political history of Guatemala to real events unfolding in front of me.”
MODERN.
SPACIOUS.
CONVENIENT.

ST. JEROME’S RESIDENCES

In a 2022 Maclean’s article, St. Jerome’s was named the ‘best place to live’ at the University of Waterloo. Scan the QR code to read the full article.
ABOUT OUR RESIDENCE

St. Jerome’s residence buildings are the most centrally located residences at the University of Waterloo - just steps from Student Health Services and directly across from the Student Life Centre. St. Jerome’s is Waterloo’s only residence community to feature an exclusive gymnasium and fitness space. Laundry is on-site and is included in your residence fees – no need for quarters or a paid laundry card. Both single and double room options are available - all rooms come equipped with a mini fridge, and most rooms feature their own sink (vanity) and mirror. Students from all six faculties live together in St. Jerome’s Residence. Being immersed in a diverse, supportive, and strategically small community gives our students a living experience unlike any other.

OTHER FEATURES TO LOOK FORWARD TO:

› Two movie rooms with extra large flat screen TV’s
› Indoor bike storage

Our holistic approach to education reflects our understanding of students as whole people. At St. Jerome’s, we believe healthy choices at mealtime are crucial to supporting your overall success, health, and wellbeing. This is why our students enjoy nutritious, locally sourced, and freshly prepared meals - all day, every day.
ALL-YOU-CAN EAT

Students at St. Jerome’s enjoy all-you-can eat style dining, which ensures good food for all students. Meals are prepared in house, from scratch, by our team of professional chefs. Local ingredients are at the forefront of every dish served. Bread, meat, dairy, and produce are sourced from local farms, and our coffee is always fair-trade certified. Our student-centred dining staff take every opportunity to connect with our students and gather their feedback. Chefs design our menus on-site, which means you will have a say in what you eat, both through informal and formal channels.

THE CHEF’S TABLE
The Chef’s Table features a range of both classic homestyle meals and diverse entrées. At St. Jerome’s, you’ll see everything from lasagnas and shepherd’s pie to beef shawarma, butter chicken, char siu pork, and more. Entrées will always have a gluten free, dairy free and vegan equivalent or option. Vegetables at the Chef’s Table are usually roasted, steamed, or stir-fried - and because we serve local, seasonal vegetables, they will often change based on the month.

THE GRILL
The Grill offers classic menu items you’d normally see prepared on a grill or a deep fryer. These options include hot dogs, burgers, fries, sliders, ribs, and more. We serve two complimentary and pre-made salads, and also offer a build-your-own salad option at the salad bar.

THE DELI
At The Deli, students can request tailor-made wraps, paninis, and sandwiches. We offer a variety of deli meats, vegetable toppings, cheeses, and scratch-made sauces that range from chipotle mayo to our house BBQ sauce.

FOOD FARE
The Food Fare is our live cooking station, where students watch one of our culinary members prepare, and often customize, a dinner entrée right before their eyes. This includes fresh stir fry, garlic butter mussels, custom loaded potatoes, fresh pasta primavera, and more.
At St. Jerome’s, we are proud to offer a variety of available scholarships and bursaries, to ensure your university education is as accessible as possible.

**ST. JEROME’S UNIVERSITY SCHOLARSHIPS**

### ADMISSION INFORMATION FORM (AIF)

The Admission Information Form (AIF) allows students to communicate who they are to admissions committees beyond final grades. Community involvement, awards, volunteering, and part-time jobs are all examples of what you can include. Remember to answer the question that’s asked, proofread your work, and take the time to be honest and genuine with your answers.

### RESIDENCE FEES

While it looks like a lot of money in one chunk like that, Keep in mind, these amounts include what would be rent, most (if not all) of your groceries, internet, hydro and utilities. Plus, you have the added benefit of knowing you won’t be cooking your own meals, or budgeting for snacks or laundry. Put simply, it’s all your bills in one place, paid in two lump sums over the course of two terms. Plus you have the added benefit of knowing you don’t have to make your meals every day or worry about budgeting for snacks, laundry, and rent!

$12,928 TO $13,728* = ROOM + MEALS

Your all-you-can-eat meal plan and cost of laundry are included in your St. Jerome’s Residence Fee!

$9,000* = ARTS TUITION

This covers two full-time terms worth of tuition, and does not include books, supplies, and co-op fees, if applicable.

*Estimated amounts based on 2022 figures
Simply scan the QR code to schedule your campus tour and be sure to indicate St. Jerome’s University as your desired tour route. Our campus tours include common spaces like our library, classrooms, chapel, cafeteria, and residence buildings.

ACKNOWLEDGEMENT OF TRADITIONAL TERRITORY

We acknowledge, with respect, that St. Jerome’s University and the University of Waterloo reside and operate on the traditional territory of the Attawandaron (Neutral), Anishinaabeg, and Haudenosaunee peoples. Our University is situated on the Haldimand Tract, the land Frederick Haldimand promised to the Haudenosaunee of the Six Nations of the Grand River in 1784 that includes 10 kilometers on both sides of the Grand River and extends from its source to Lake Erie.

Our greatest impact happens together
