

# A LOVE OF BIKES AND MAPS

Join us for a guest lecture by Dr. Trisalyn Nelson, head of the Spatial Pattern Analysis and Research (SPAR) Lab at the University of Victoria. Dr. Trisalyn Nelson is one of the leading researchers at BikeMap.org, a project directed at tracking biking trends and incidents using human sensors (such as yourself).

JULY 3RD | RM EV3-4408 | 1:00-3:00 [BIKEMAPS.ORG](http://BIKEMAPS.ORG)
