a) Director candidates

Following this, several questions were asked, including: intentions to continue working as a director after the three month cycle, non-profit work experience, goals as a director during the three months, interest in the committees listed in the skills matrix, number of graduate students on satellite campuses and unique issues they experience, and familiarity with editing constitution documents. The President provided an overview of the governance model and its three branches: board, council, and management/staff.

Motion to move out of confidential session at 10:45 (Hampton/Revington). Approved unanimously.

b) Confidential minutes

Moved to next meeting

Break called at 10:46. Meeting resumed at 11:01.
c) May fee structure

The fee structure reverts what was implemented prior to the SCI. The grad house fee will remain as an option for opting-out rather than making it refundable. Timeline is to deliver this fee structure to the University by next week at the latest. SCI reversal legislation and opt-out numbers for the grad house were discussed. The decision to move social initiatives into mandatory fees was questioned, given that opt-out rates have increased since the Fall term. The process for determining which fees are optional versus mandatory was described. Council did not vote to approve the structure, but they did provide consultation, including the desire to keep the grad house as opt-out rather than a refund, and for the social initiatives fee to be mandatory. Ongoing monitoring of fee structures through Council consultation and UWaterloo social media was suggested.

Motion to approve the fee structure proposed by the President (Hampton/Marin). Approved unanimously.

d) Grad house bar repairs

The justification for the proposed funding increase ($8000) was delivered by the President and the General Manager.

Motion to approve $20,000 in funding for the Grad House bar repairs (Hampton/Reid). Approved unanimously.

e) VP reappointment – confidential session

Move into confidential session at 11:26 (Revington/Reid). Approved.

Motion to approve the President’s recommendation to reappoint the VP for the 2020-2021 cycle (Samuel/Reid). Approved unanimously.

Move to leave confidential session. Approved.

f) Director resignation letters

Evan Andrews sent a resignation letter to select directors, and asked later for it to be read into the minutes. Despite enthusiasm for working with the GSA, resignation was due to challenges with balancing board activities and academic requirements. Isidora Sidorovska also delivered a handwritten resignation letter to the Board Chair, to be read to the Board. While recognizing the important work of the GSA, resignation was needed for personal and academic reasons.

g) Policies second reading (GP-15, EL-10/BM-5, GP-19)

GP-19: Proposed changes from the first reading were outlined; many of the changes made were grammatical in nature. Friendly amendments for correcting grammatical errors were made. Regarding 6.b.ii.3., “meetings were normally scheduled for 30 minutes or less” was discussed. Situations in which meetings have been extended beyond the scheduled time was discussed.

Motion to approve the second reading of GP-19 (Marin/Revington)
Motion to amend definitions 1. as follows: “...severe risk... or its members, as determined by a risk framework developed by the Board to assess the likelihood and impact of risk. Strike the endnote and strike 5. (Revington/Hampton). Approved unanimously.

Motion to move the definitions section into the appendix of the report (Reid/Revington). Vote (y/n/a). 2/4/3. Motion does not pass.

Motion to strike the word ‘normally’ from 5.b.ii.3 (Upadhyaya/Reid). Approved unanimously.

Motion to approve the second reading of GP-19 (Marin/Revington). 8/0/1 (Stirling abstains)
