h) Rose Vogt Award – 2 seats

*Background on the Rose Vogt award was provided. Bériault and Mostafa nominated themselves for the positions. Due to conflict of interest, rather than directors filling the seats, it was suggested that members at large be appointed. Time restraints were noted for putting out a call to committee members at large. Reference to clarifying procedures for future selection of committee members was discussed. Proposal to choose one council, board and volunteer member each for the committee, which is feasible given the time.*
Motion to appoint Bériault as the director representative of the Rose Vogt Excellence Committee (Reid/Hampton). Vote (y/n/a) 10-0-1.

i) Organizational update

*Vital Signs Survey will be launched in mid-February. Council feedback will be collected prior to its release, and directors are asked to provide thoughts via slack. Spring fees are being discussed with UW staff and updates will be provided next month.*

i) Social media and GSA website

*The new GSA website is not yet completed but an overview of current progress was provided. The aim is to have the website go live on January 31. Current UW GSA website is not accessible for a variety of reasons, e.g. audio reading not functional and too many tables present. Policy registry needs to be organized in an accessible format that allows for easy editing. Grad house is getting its own restaurant-style site but events will remain on the core GSA website. Transparency and access to information pertaining to social media was highlighted as a priority for the director of communication & events. Uptake on Twitter was noted as particularly poor. Call for directors to engage more frequently with GSA social media and to contact the director with any questions and suggestions.*
