Hello to all incoming Grebelites living in the apartments for Winter 2021!

I hope this memo finds you anticipating the upcoming term at Grebel! We look forward to your arrival and the term ahead.

The following information is important...make sure you read it!

MOVING-IN
Even though the term has a delayed start, student new to the apartments in Winter can move in as early as Monday, January 4. We’ll send instructions about scheduling a move-in time. More information will follow prior to January.

FEES
Winter 2021 fees are due December 4, 2020. When paying your fees, you can pay by cheque, or via online banking. If you wish to add a car permit, bike storage key, or hockey storage key to your invoiced amount you must fill in the optional services form. This can be found on the Conrad Grebel website under Current Students and then under online forms.

FROST WEEK
Evening activities are planned from January 9 onward. These are planned to give you the opportunity to become acquainted with Grebel’s newest members and re-acquainted with Grebelites you haven’t seen in a while. We anticipate a mix of online and in-person events. We will post the schedule on Starting a new term once it is determined.

CHAPEL AND WEEKLY WAVE
Each Wednesday of the term, beginning the first week, all students are invited to participate in an in-person and online 45 minute chapel. If you are interested in being part of the team that plans these Wednesday chapels, please email Ed Janzen. In lieu of a weekly Community Supper, we have been holding an online Weekly Wave. This 4:00 – 4:30 College-wide gathering serves the purpose of keeping the community informed through announcements, checking in with both on and off-campus students and learning a little too! We hope you will join us weekly for both of these events!

REZ AND APT STAFF
There will be a Winter 2021 Apartment Superintendent appointed – stay tuned. Andrew Cullar, Oliver Lingertat, Megan Gallagher, Anya Fieguth and Hayden Epp are the Winter dons. Faith and Colin Friesen are the Campus Hosts and their daughter Ronen is the campus toddler.

COVID GUIDELINES
The handbook sent with this letter is a COVID-19 specific community living booklet outlining protocols and procedures for mitigating the spread of COVID-19 in the College. It is based on the most current information we have, but it is subject to change. At any point, the guidelines may be loosened or tightened based on recommendations from Public Health. Fall term residents and associates adopted these new practices really well and in so doing, the whole community has benefited.
STUDENT PRESIDENT AND RECRUITS

Andre Wiederkehr is Student Council president for 2020/2021. Your Student Council is excited to welcome you back to Grebel after your break! Appointments for LLT (Athletics, FLOW, Food rep, Gents, Grebelspeaks Editor, Peace Society, QuAQ, Special Projects and Webmaster) will be made in January. Details to follow in the new year.
