Student Profile

Living-Learning Community: Recreation and Leisure

1>> Why did you choose to study Recreation and Leisure?
   It really interested me and I am passionate about the opportunity to have a sports business major.

2>> Why did you choose to join the LLC?
   I felt that it was a good way to meet people in my program and have a roommate that is in my program as well.

3>> What have you gotten out of the LLC?
   Great friends (we might even live together next year!), study groups, lots of information about Waterloo and my program, and a great way to have healthy competition for grades.

4>> What is your Peer Leader like?
   I am able to contact her at any time of the day and she’s always there for you academically, socially or for anything. She explains what future years will be like and tells me about the different academic choices I have.

5>> What are some LLC events you’ve been to?
   We’ve gone to the study sessions, weCONNECTu sessions, and we’ve had cluster dinners. All of the events are fun.

6>> Have you met students from other programs?
   Yes, you meet people from other programs just as you would if you weren’t in LLC. It’s just nice to always know people in your classes.

7>> What is living in Ron Eydt Village like?
   I enjoy living in REV. It’s a lot of fun and a great way to meet people.

“Through the LLC I’ve made great friends...and learned lots about my program and about Waterloo.”
