

Waterloo Institute for Nanotechnology Nanofellowship Application Form: Existing Graduate Students

A1. PERSONAL INFORMATION			
Family Name		Given Name(s)	
Telephone Number	Email	UW Student ID (8 Numbers)	
Address #1		Address #2	
City	Province/State	Country	Postal Code
A2. CITIZENSHIP (Please indicate your country of citizenship and status, ie: Permanent Resident):			

B. DEGREE PROGRAM	
Are you currently enrolled as a Graduate Student at the University of Waterloo? (If 'No' use Application form for Prospective Students) <input type="checkbox"/> Yes <input type="checkbox"/> No	
Enter your program information below:	
Degree Program	Department
Supervisor	Supervisor's Email
Start Date (mm/yy)	Anticipated Completion Date

C1. ACADEMIC BACKGROUND					
Provide degree(s) completed or in progress in chronological order. Indicate anticipated completion date for degrees in progress.					
Degree	Department	Institution	Country	Academic Average	Start and Completion Dates (mm/yy-mm/yy)

C2. AWARDS AND SCHOLARSHIPS

List awards and scholarships (and other honours) in reverse chronological order (most recent first.) Please indicate if the award is declined in brackets under the name of the award.

Date (mm/yy-mm/yy)	Name of Award or Scholarship	Country (if not Canada)	Value	Level (eg: University, Regional, National)

If more room is required, ATTACH ADDITIONAL AWARDS AND SCHOLARSHIPS and/or DEGREES COMPLETED HERE (PDF) (instructions on pg. 9)

C3. ACADEMIC RESEARCH AND RELEVANT WORK EXPERIENCE

List job positions in reverse chronological order (most recent first). Indicate if the experience gained was part of a program of study. Please include **Job Title, Organization and Department** and **Period** of time worked (in the format **mm/yy-mm/yy**) for all positions. For research positions, additionally include **Supervisor** and **Project Title**. Also include co-operative education work positions, if applicable. (Use 12-point font for all entries.)

If more room is required, ATTACH ADDITIONAL WORK EXPERIENCE HERE (PDF)
(instructions on pg. 9)

Please use the following format for publications:

Please include the full authorship as it appears/will appear in the original publication, with the **applicant's name** in bold. Make sure that full authorship, year, title, publication name and volume, and page numbers are included in your citations. (Use 12-point font for all entries.)

C4. PUBLICATIONS AND PRESENTATIONS

List publications and presentations in reverse chronological order (most recent first) according to the categories given.

a. Articles published, in press, and/or accepted in refereed journals, and articles submitted to refereed journals with submission number

--

C4. PUBLICATIONS AND PRESENTATIONS (CONTINUED)

List publications and presentations in reverse chronological order (most recent first) according to the categories given. (Use 12-point font for all entries.)

b. Refereed conference proceedings and abstracts, and invited communications, reports, and book chapters

c. Non-refereed contributions such as technical reports, conference presentations, posters, and patents

**If more room is required, ATTACH ADDITIONAL PUBLICATIONS AND PRESENTATIONS HERE (PDF)
(instructions on pg. 9)**

C5. ADDITIONAL ACHIEVEMENTS AND/OR SPECIAL CIRCUMSTANCES (OPTIONAL)

If you would like to report any additional achievements which do not fit into categories 1-4, you may do so here.

Examples: Leadership, volunteer experience, management etc. You may also note any special circumstances. (Use 12-point font for all entries.)

D. TRANSCRIPTS

Please provide your transcripts for all degree programs you have obtained (Bsc, MSc, PhD). If you have already started your proposed program of study at the time of application, you must also submit a transcript for this program of study along with your application, regardless of the number of months completed in the program.

ATTACH YOUR TRANSCRIPTS HERE (PDF)
(instructions on pg. 9)

For non-UW transcripts, please include one copy of the legend on the back of your transcript, to help the reviewers understand the grading system at your university. All of your transcripts must be provided in a single PDF file. Black and white scans will be accepted. An official copy of the transcripts may be requested for verification in the review process.

E. DESCRIPTION of PROPOSED RESEARCH (500 words maximum)

Clearly describe your research project and its relevance to nanotechnology in the field provided below. Entries greater than 500 words will **not** be considered. The originality and relevance of the proposed research will be an important element in the evaluation. Special consideration will be given to students intending to pursue projects involving cross-disciplinary collaboration in nanotechnology. (Use 12-point font for all entries.)

PROJECT TITLE:

PROPOSAL:

E2: ALIGNMENT WITH NANOTECHNOLOGY THEMATIC RESEARCH AREAS (200 words maximum)

Describe your project's relevance to nanotechnology in terms of one or more of the key research themes of nanotechnology: Smart & Functional Materials; Connected Devices; Next Generation Energy Systems; and Therapeutics & Theranostics (as described at the following link: <https://uwaterloo.ca/institute-nanotechnology/research-waterloo-institute-nanotechnology>).

(Use 12-point font for all entries.)

NANOTECHNOLOGY THEME RESEARCH AREAS (Check all that apply):

1. Smart & Functional Materials []
2. Connected Devices []
3. Next Generation Energy Systems []
4. Therapeutics & Theranostics []

ALIGNMENT OF PROJECT TO THEME RESEARCH AREAS:

F: Letters of Reference:

Applicants are encouraged to consider the full range of potential referees who could provide relevant evidence, perspectives, and insight to support the review of your application. **It is the applicant's sole responsibility to follow up with referees to ensure the two Letters of Reference are submitted prior to the deadline indicated.**

You will receive a confirmation email stating the completeness of your application within three working days of receipt of the required documents by the WIN offices.

F. REFERENCE CONTACT INFORMATION			
First Reference			
Name			Title
Telephone Number		Email	
Institution		Department	
Address #1		Address #2	
City	Province/State	Country	Postal Code
Second Reference			
Name			Title
Telephone Number		Email	
Institution		Department	
Address #1		Address #2	
City	Province/State	Country	Postal Code

If a referee informs you that the reference letter cannot be submitted within the set deadlines, please contact the WIN office at win@uwaterloo.ca to arrange an approved late submission date or replace an alternate referee as soon as possible.

END OF APPLICATION

Instructions for Attaching Files to the Application:

Attachments must be in PDF form.

Acrobat, or Adobe Reader version 10 or higher are required to attach documents. The latest version of Adobe Reader can be downloaded at <http://get.adobe.com/reader/>

If you're using **Adobe Reader X** (recommended) follow these instructions:

1. Click on “**Comment**” at the top right hand corner of the page
2. Under “**Annotations**” select the “**Attach File**” paperclip icon
3. Click in the appropriate space provided and select the file you would like to attach

If you're using **Adobe Acrobat** or an **older version of Adobe Reader**, the same option can be found by selecting

Tools > Comment & Markup > Attach a File as a Comment (paperclip icon) from the top menu bar.

Your file should show up as a small paperclip icon in the box provided when it has been properly attached.

Application Check-list:

Application Form:

- I have completed all relevant fillable fields of this Nanofellowships Application Form (Sections A-C)
- I have combined all my transcripts into a single file (PDF) and attached them (Section D)
- I have provided the contact information for my references (Section F)

References:

- I am aware that it is my responsibility to ensure that my referees submit their reference letters prior to the indicated deadline
