WIN Vision and Framework – Scorecard 2009–2010

“An Interdisciplinary Centre of Excellence Pioneering High Impact Research and Innovation in Nanotechnology”

**INFRASTRUCTURE**
- Promote use of shared facilities
  - G2N
  - WATLAB
  - CIRFE
  - CAPSD
  - RAC Building
- Secure access to world class facilities
  - NIMS, IITB, IISC, JNCASR, AMA
- Coordinate QNC
  - Coordinating space allocation for synergy
  - Ongoing planning for equipment in QNC

**SCHOLARSHIP**
- Recruit and retain
  - Supported visits by key candidates for nanopositions, endowed chairs
- Scholarships & Fellowships
  - 21 Nanofellowships
  - 4 Erasmus Mundus
- Awards & Honours
  - Supported 3 award nominations
- Seminars, Lectures
  - 8 WIN Seminars
  - 2 Distinguished Lectures
- Publications and Patents
  - See list

**PARTNERSHIPS**
- International
  - IIT Bombay
  - IISc
  - JNCASR
  - NIMS
  - AMA/Bordeaux
- Domestic
  - See list (Confidential)
- Government/Industrial
  - NSERC- IRC
  - ORF - SPM
- RusNano Workshop
- Regional Nanotech Strategy
- Joint Research Programs
  - NIMS (Japan), IIT (Bombay), IISc, JNCASR (Bangalore)

**BUSINESS**
- Building stronger industry-WIN relationships
  - Hosted 12 industry visits
  - Discussions with 20 organizations
- Awarded Funding
  - ORF
  - 3x Going Global missions
  - STS Forum Council
  - NanoMission(India)
  - EU scholarships
- Operational Excellence
  - Fin, Ops, HR, Mktg
  - Outreach
  - University Support
  - Build Community (DLS, SS)

**our philosophy...**
- Interdisciplinary

**our organization...**
- Centre of Excellence

**our work...**
- Research & Innovation

**our impact...**
- Global

- Discoveries and Innovations
- Developing Highly Qualified Personal
- Transfer of knowledge, ideas and I.P. to the economy and society (Commercialization & outreach)
- Research Funding
