iii) hearing comments or concerns from general members regarding issues appertaining to the stated goals of the WINGSS;
iv) addressing other business that may be properly brought before the meeting

At least one General Meeting shall be held before the end of the first month of each academic term. General Meetings may be called anytime during the year provided that due notice is given and that the meeting occurs at the University of Waterloo.

2.2 Executive Meetings
Executive meetings may be called by any one of the Executive members and should occur at least once per month.

2.3 Calling General Meetings
The Executive shall have the power to call a General Meeting at any time that the University is open, and must occur at the main University campus.

Ten of the general members may submit in writing a request to the Executive to call a General Meeting. The meeting request should state the general nature of the business to be presented at the meeting, be signed by those members making the request, and be delivered to an Executive member. The Executive members then must call and hold a General Meeting of members within one month from receipt of the petition. It is the duty of the Executive to verify the validity of the request and each signature.

2.4 Notice
Notice of the time, place, and general nature of a General Meeting shall be given not less than seven (7) days before the General Meeting is to take place. Notice must be given as direct mail out to Winners, electronic or otherwise. Notice may also be given through advertisements on the WINGSS website, through the WIN secretary, posters, and social media.

At least two-thirds of the Executive members must be present for quorum.

At some time before the end of the Meeting, the floor must be opened to hear comments or concerns from general members in attendance regarding issues appertaining to the stated goals of the WINGSS. A list of attendees must be taken at each General Meeting, and the membership of said attendees will be subject to verification by the Executive to validate votes.

2.7 Meeting Minutes
Minutes shall be recorded for all General Meetings. Members in attendance at a General Meeting may volunteer to serve as the Secretary of the Meeting at the start of the Meeting. The Secretary’s duty shall be to record the minutes of the Meeting, and the results of any official votes. The President of the WINGSS shall have the power to appoint a Secretary of the Meeting from the pool of volunteers for the position at the start of the Meeting. Should no general members volunteer to serve as Secretary of the Meeting at a General Meeting, the duty of recording minutes of the Meeting shall fall to the Executive.

The Executive members must make the minutes of the Meeting freely available to the general members of the WINGSS within one month of the Meeting, preferably though posting a copy of the minutes to the website of the WINGSS, or maintaining a hard copy of the minutes in the WINGSS office, available to general members upon request.
