

Women in Nanotechnology Seminar
Friday, 27 January, 2017 2:30 – 3:30pm
QNC 1501

List of Invited Speakers

TIME	SCHEDULE	LOCATION
2:30 – 3:15pm	Speakers	QNC 1501
	<p>Na Young Kim: Department of Electrical and Computer Engineering, Department of Chemistry, Department of Physics and Astronomy; Member of Institute for Quantum Computing and Waterloo Institute for Nanotechnology</p>	
	<p>Aiping Yu: Department of Chemical Engineering; Member of Waterloo Institute for Sustainable Energy, and Waterloo Institute for Nanotechnology</p>	
	<p>Melanie Campbell: Department of Physics and Astronomy; School of Optometry and Vision Science; Director of Graduate Studies, Department of Physics and Astronomy; Member of Waterloo Institute for Nanotechnology</p>	
	<p>Shirley Tang: Department of Chemistry; Director of Nanotechnology Engineering Undergraduate Program</p>	
	<p>Moira Glerum: Department of Biology; Member of Waterloo Institute for Nanotechnology</p>	
	<p>Evelyn Yim: Department of Chemical Engineering; Member of Waterloo Institute for Nanotechnology</p>	
3:15 – 3:30pm	Question and Answer Session for Speakers
