Firstly, welcome to all of our new, incoming graduate students, and welcome back to all returning grad students! For those of you who weren't around during the Spring term, we had some fantastic summer events, including our new and improved Final Thursdays (with pizza and coffee on the BMH green patio), and the Grand Bend beach day! If you weren't around for those, worry not, as we are hoping to have even more exciting events planned throughout the fall term! A few things to look forward to are the amazing Halloween Social (costumes welcomed and encouraged), and the famous KGSA Christmas Party!

In this term's newsletter, we wanted to share a few important links that we think will be helpful for all Kin grad students. Whether it's simple ways to stay up to date with KGSA events and initiatives (like our Facebook group or Instagram account), or some important academic related links to help students access any grad studies information they may need!

This year's orientation week was a great success! Kicking it off with a pancake/waffle welcome brunch on Tuesday, we had a great turnout to our evening events, with our Sky Zone Trampoline Park night and the Descendants Country Hits Bingo night as clear highlights to the week. Thanks to everyone who participated in the events, and we look forward to seeing you at our fall events!

Have a great Fall 2019 term everyone!
