- **End of Term Bowling Party**
 - Between End of Classes and Exams

Welcome to the Winter 2020 KGSA newsletter!

Welcome back and Happy New Year everyone! We hope that a relaxing holiday break was enjoyed by all, and we are excited for the new Winter 2020 term! Before we go any further though, we just want to thank you all for your attendance and support for last term's KGSA events, including the KGSA Halloween Social and the KGSA Holiday Party. Thanks to the amazing turnout at this year's holiday party, as well as the donations from the KGSA Bake Sale, we were able to donate \$1000 to the Food Bank of Waterloo region! If you would like to review photos of the evening, you can find them at <https://uwaterloo.ca/kinesiology-graduate-student-association/news/2019-holiday-party-huether-recap>

In this term's newsletter, we are happy to announce start of the **KGSA Smart Snack Initiative!** This new initiative, generously supported by the AHS Advisory Committee on Health and Well-being Student-led health and well-being initiative, will lead to the deployment of three KGSA Nutrition Stations throughout BMH, AHS, and TJB.

The goal of these KGSA Nutrition Stations is to allow graduate students to access healthy and free snacks, as well as drinks whenever they need a bit of energy, or even just a break from work/the office. We hope that by providing spaces where graduate students can meet away from their desks will additionally foster a sense of collaboration between the laboratories and streams within our department.

Have a great Winter 2020 term everyone!
