

Hey there Stranger!!! ☺

So you probably don't know me and chances are that I probably don't know you either, but I just wanted to say that you are an awesome person! While you may not think it, you have a huge positive impact on the world. Just the mere fact that you are loved, and have the capacity to LOVE, is making the world a better place. So no matter what you're going through in life at the moment, I just wanted to remind you to KEEP SMILING because YOU are making someone's world go round. ☺ We only have this one life to live so might as well live in the present, cherish every moment (whether "good" or "bad"), keep finding reasons to SMILE (there's never not a reason ☺) and continue to spread the positive energy to everyone around us!

Anyways I don't want to make this letter too long but I just wanted to say that I SINCERELY hope that you have an AMAZING day, not only today, but EVERYDAY for the rest of your time on this beautiful floating space rock we call Earth ☺

-Anonymous ☺

p.s. Don't let the WORLD change your SMILE, let your SMILE change the WORLD.

p.p.s Feel free to 1) hold onto this letter OR 2) place it somewhere else for someone, who may need it, to find it ☺
