Contents: file consists of an agreement between Herman Schroder and Arthur B. Pollock assigning a patent by Herman to Pollock in exchange for royalties on the hornless phonograph.

File 4 **Agreement between Schroder Hornless Phonograph Manufacturing Company and Arthur B. Pollock.** - 1907.

Contents: file consists of an agreement between Schroder Hornless Phonograph Manufacturing Company and Arthur B. Pollock licensing Pollock to sell the hornless phonographs in Canada.

File 5 **Air conditioner division : warranty and service policy.** - [194-?].

Contents: file consists of a warranty and service policy for Electrohome air conditioners.

File 6 **Annual report.** - 1958.

Contents: file consists of the 1958 Electrohome annual report.

File 7 **Annual report.** - 1964.

Contents: file consists of the 1964 Electrohome annual report.

File 8 **Assignment of patents by Alex Welker to Pollock Manufacturing Company Limited.** - 1909-1915.

Contents: file consists of three assignments of patents by Alex Welker to Pollock Manufacturing Company Limited. The patents are for a tone arm for a talking machine and reproducers for a talking machine.

File 9 **C. Chunker Allgeier death notice.** - 1969.

Contents: file consists of one notice regarding the death of former Electrohome employee C. Allgeier.

- File 10 **Canada's first electric motor.** - 1956.
Contents: file consists of one article by Lyman C. Jackes from Electrical News and Engineering on the history of Canada's first moto.
- File 11 **Canada trade mark registration.** - 1915.
Contents: file consists of one Canada trade mark registration for the word and device Organola in the name of Pollock Manufacturing Company Limited.
- File 12 **Canada trade mark registration.** - 1928.
Contents: file consists of one Canada trade mark registration for the word and device Pulwell in the name of Pollock-Welker Limited.
- File 13 **Canadian vintage wireless association.** - 1974-1975.
Contents: file consists of correspondence between John Koegler and the Canadian vintage wireless association.
- File 14 **Christmas invitation.** - 1970.
Contents: file consists of one invitation from John Pollock addressed to John Koegler inviting him to a Christmas dinner.
- File 15 **Clippings.** - [19--].
Contents: file consists of clippings relating to Electrohome, its products, and its employees.
- File 16 **Coupons for ordering copies of patents.** - [19--].
Contents: file consists of a notice from the Department of the Interior United States Patent Office regarding coupons for ordering copies of patents.
- File 17 **Deed of land.** - 1919.
Contents: file consists of a reproduction of a deed of land from Pollock Manufacturing Ltd. to General Phonograph Corporation of Canada.
- File 18 **Deed of land.** - 1933.
Contents: file consists of a reproduction of a deed of land from Pollock-Welker Limited to Dominion Electrohome Industries Limited.
- File 19 **Deilcraft furniture guarantee.** - [196-?].
Contents: file consists of a guarantee and care card for Deilcraft furniture.
- File 20 **Dominion of Canada patent : Alexander H. Welker.** - 1915.
Contents: file consists of one Dominion of Canada patent assigned to Alexander H. Welker for a new and useful improvement in talking machines that has been assigned to the Pollock Manufacturing Company.
- File 21 **Dominion of Canada patent : Herman Schroder.** - 1907.
Contents: file consists of a copy of one Dominion of Canada patent for Herman Schroder for a new and useful improvement in gramophones.
- File 22 **Dominion of Canada patent office receipt.** - 1916.
Contents: file consists of one receipt from the Dominion of Canada patent office for 20\$.
- File 23 **Dominion of Canada patent office receipt.** - 1927.
Contents: file consists of one receipt from the Dominion of Canada patent office for 17\$.
- File 24 **Dominion of Canada patent office receipt.** - 1928.
Contents: file consists of one receipt from the Dominion of Canada patent office for 25\$.
- File 25 **Dominion of Canada patent : Thomas Lucien Richard.** - 1913.
Contents: file consists of one Dominion of Canada patent for Thomas Lucien Richard for a new and useful improvement in sound amplifiers.
- File 26 **Electrohome 60 years of leadership.** - 1967.
Contents: file consists of a historic timeline of Electrohome from 1907-1967.
- File 27 **Electrohome 75th anniversary concert : programme.** - 1982.
Contents: file consists of a programme for a concert held for Electrohome's 75th anniversary put on by the Kitchener-Waterloo Symphony Orchestra and Major Hoople's Boarding House.

- File 28 **Electrohome employee credit union.** - [197-?].
Contents: file consists of an information sheet on the Electrohome employee credit union.
- File 29 **Electrohome fan warranty.** - [194-?].
Contents: file consists of a warranty card for Electrohome fans.
- File 30 **Electrohome golden anniversary dinner : programme.** - 1957.
Contents: file consists of a dinner programme for Electrohome's golden anniversary.
- File 31 **Electrohome Limited name change.** - 1967.
Contents: file consists of a leaflet advertising the name change from Dominion Electrohome Industries Limited to Electrohome Limited.
- File 32 **Electrohome museum.** - 1960-1975.
Contents: file consists of materials created by the Electrohome museum, by John Koegler the Electrohome historian. Includes information about Electrohome antiques in private hands.
- File 33 **Electrohome profit-sharing retirement plan.** - 1955-1956.
Contents: file consists of materials relating to the Electrohome profit-sharing retirement plan.
- File 34 **Electron.** - 1969.
Contents: file consists of a reproduction of an article from Electron magazine about fifty years of Canadian broadcasting.
- File 35 **Family letters.** - 1959-1965.
Contents: file consists of two Electrohome family letters. One discusses the construction of a new cabinet plant and the other the 1958 annual report.
- File 36 **Indenture.** - 1909.
Contents: file consists of a reproduction of an indenture between The Berlin Steel Go-Cart Company and The Pollock Manufacturing Company Limited.
- File 37 **Indenture.** - 1925.
Contents: file consists of a reproduction of an indenture between General Phonograph Corporation of Canada and Pollock-Welker Limited.
- File 38 **Industrial design register.** - 1916.
Contents: file consists of one register for an industrial design of a cabinet for talking machines for the Pollock Manufacturing Company Limited.
- File 39 **Industrial design register.** - 1916.
Contents: file consists of one register for an industrial design of a cabinet for talking machines for the Pollock Manufacturing Company Limited.
- File 40 **Industrial design register.** - 1917.
Contents: file consists of one register for an industrial design of a cabinet for talking machines for the Pollock Manufacturing Company Limited.
- File 41 **Industrial design register.** - 1917.
Contents: file consists of one register for an industrial design of a cabinet for talking machines for the Pollock Manufacturing Company Limited.
- File 42 **Industrial Elmira.** - 1925.
Contents: file consists of one reproduction of a short article on industrial Elmira, including a section about the Phonola Company of Canada Limited.
- File 42b **Interview with Carl Pollock and Alex Welker.** - [ca. 1956]. - 1 audio reel.
Contents: file consists of one audio reel recording of interviews with Carl Pollock and Alex Welker. The interviews were conducted by John Koegler and Edna Staebler.
- File 43 **Kannataowenna.** - [ca. 1968].
Contents: file consists of a biography of radio pioneer R.M. Brophy.

- File 44 **Letterhead.** - [19--].
Contents: file consists of the letterhead for Pollock Manufacturing Company and Dominion Electrohome Industries.
- File 45 **Letters patent : The Pollock Manufacturing Company, Limited.** - 1909.
Contents: file consists of one letters patent for The Pollock Manufacturing Company, Limited. The letters patent was assigned to Arthur Bell Pollock, Charles Stoltz Boehmer, August Boehmer and Alexander Henry Welker.
Oversize
- File 46 **Minutes of the seniority and service committee.** - 1951.
Contents: file consists of minutes of the seniority and service committee.
- File 47 **Museum storage layout.** - 1973. - 1 plan : whiteprint ; 28 x 43 cm.
Contents: file consists of one plan of the museum storage layout of Electrohome.
Oversize
- File 48 **New Zealand trade mark registration.** - 1928.
Contents: file consists of one New Zealand trade mark registration for the word and device Helycon in the name of Pollock-Welker Limited.
- File 49 **Notes.** - [19--].
Contents: file consists of various handwritten notes created by John Koegler on the history of Electrohome.
- File 50 **Notes : 60th and museum.** - [ca. 1967].
Contents: file consists of a notebook kept by John Koegler with notes on the Electrohome 60th anniversary and the museum.
- File 51 **Organizational chart.** - 1947.
Contents: file consists of one organizational chart for Electrohome's works department.
Oversize
- File 52 **Patent for brake for talking-machines.** - 1913.
Contents: file consists of a published patent notice for a brake for talking-machines held by Gunther Philip Wild of Pennsylvania.
- File 53 **Patent for cabinet sound-reproducing machine.** - 1915.
Contents: file consists of a published patent notice for a cabinet sound-reproducing machine held by Henry Miller of Waterford.
- File 54 **Patent for record-tablet for talking-machines.** - 1915.
Contents: file consists of a published patent notice for a record-tablet for talking-machines held by Owen Brophy of Pennsylvania.
- File 55 **Patent for sound-reproducing machine and record therefor.** - 1910.
Contents: file consists of a published patent notice for a patent for sound-reproducing machine and record therefor, held by Frederick Osborn of Garrison.
- File 56 **Phonola radio division : warranty and service policy.** - [194-].
Contents: file consists of a warranty and service policy for Electrohome radios.
- File 57 **Plant 3 open house.** - 1972.
Contents: file consists of an invitation to an open house at Electrohome plant 3.
- File 58 **Pollock, Carl Arthur.** - [19--].
Contents: file consists of materials relating to the life of Carl Pollock, as well as materials created by Pollock and accumulated by John Koegler.
- File 59 **Pollock Manufacturing Company Limited : supplementary letters patent.** - 1911.
Contents: file consists of supplementary letters patent for the Pollock Manufacturing Company Limited for the purposes of increasing the capital stock of the company.
- File 60 **Quarter century club.** - 1954-1989.
Contents: file consists of materials relating to the Electrohome quarter century club. Includes membership lists, meeting information, ephemera, etc.

- File 61 **Radio division : warranty and service policy.** - 1940.
Contents: file consists of a warranty and service policy for Electrohome radios.
- File 62 **Radio division : warranty and service policy.** - 1941.
Contents: file consists of a warranty and service policy for Electrohome radios.
- File 63 **Ridout and Maybee correspondence.** - 1916.
Contents: file consists of one item of correspondence from Ridout and Maybee patent solicitors.
- File 64 **Ridout and Maybee invoice.** - 1909.
Contents: file consists of correspondence and an invoice from Ridout and Maybee patent solicitors.
- File 65 **Seniority lists.** - 1963-1970.
Contents: file consists of seniority lists of employees of Electrohome.
- File 66 **Small appliance and motor unit sales statistics.** - 1963.
Contents: file consists of sales statistics for small appliances and motor unit sales from 1930-1958. Includes statistics on humidifiers, fans, heat circulators, metal record players, motors for record players and motors for outside sale.
- File 67 **Ten million motors.** - 1967.
Contents: file consists of a short history on motor manufacturing at Electrohome written on the occasion of the ten millionth motor being produced.
- File 68 **Time card slip.** - [191-?].
Contents: file consists of a time card slip.
- File 69 **United States of America patent.** - 1915.
Contents: file consists of one United States patent for Alexander H. Welker for new and useful improvements in talking machines.
- File 70 **Welker, Alex.** - [19--].
Contents: file consists of materials relating to the life of Alex Welker.
- File 71 **Wells-Gardner and Co. correspondence.** - 1956.
Contents: file consists of one item of correspondence from the office of the Chairman of the Board of Wells-Gardner and Co. addressed to Carl Pollock discussing the history of Wells-Gardner's association with Electrohome.

Series 2 : Manufacturing

- Manufacturing.** - [ca. 1917]-1971. - 4 cm of textual records. - 10 technical drawings : whiteprints ; 43 x 56 cm or smaller.
Contents: series consists of materials created by Electrohome Limited and its predecessors relating to the manufacturing processes and products made at the factories. Includes technical drawings, notes, parts lists, and more.
- File 72 **Bearing retainers and spring motor bearings.** - 1970-1971. - 4 technical drawings : whiteprints ; 20 x 26 cm.
Contents: file consists of notes and technical drawings relating to bearing retainers and spring motor bearings.
- File 73 **Bridge plate.** - 1970. - 1 technical drawing : whiteprint ; 43 x 56 cm.
Contents: file consists of one technical drawing of a bridge plate.
 Oversize
- File 74 **Eight tube A.C. radio receivers : service manual.** - [192-?].
Contents: file consists of a service manual for eight tube A.C. receivers. It is unclear if this was produced by Electrohome or an outside source.

- File 75 **Electrohome air conditioners : parts and price list.** - 1935-1950.
Contents: file consists of a parts and price list for Electrohome air conditioners.
- File 76 **Electrohome fans operating instructions.** - [19--].
Contents: file consists of operating instructions for Electrohome fans. The instructions are printed on a small tag with a hole that appears to have been made to attach to the fan.
- File 77 **Electrohome portable air conditioners : service manual and parts price list.** - 1935-1942.
Contents: file consists of a service manual and parts price list for Electrohome portable air conditioners.
- File 78 **Gauge no. 215 : technical drawing.** - [ca. 1917]. - 1 technical drawing : pencil on paper ; 21 x 28 cm.
Contents: file consists of one technical drawing of gauge no. 215.
- File 79 **Gear box housing.** - 1967. - 1 technical drawing : whiteprint ; 43 x 56 cm.
Contents: file consists of one technical drawing of a gear box housing.
Oversize
- File 80 **Helycon : component parts list.** - [191-?].
Contents: file consists of a component parts lists for Helycon reproducers.
- File 81 **Helycon : motors.** - [191-?].
Contents: file consists of a component parts lists for Helycon motors, tone arms and reproducers. One price list has handwritten notes.
- File 82 **Helycon : motors, tone arms and reproducers catalogue.** - [191-?].
Contents: file consists of a catalogue for Helycon motors, tone arms, and reproducers.
- File 83 **Helycon : tone arms.** - [191-?].
Contents: file consists of a component parts lists for Helycon tone arms.
- File 84 **Instructions for use of pine ozone.** - [193-?].
Contents: file consists of an instruction sheet for how to use pine ozone in Electrohome air conditioners.
- File 85 **Lang vs Monarch tool room lathe.** - [19--].
Contents: file consists of a writeup on the pros and cons of Lang vs Monarch lathes.
- File 86 **Lead and gromme assembly.** - 1968-1971. - 2 technical drawings : whiteprint ; 28 x 44 cm.
Contents: file consists of two technical drawings of lead and gromme assembly.
Oversize
- File 87 **Motor outline.** - 1969. - 1 technical drawing : whiteprint ; 43 x 56 cm.
Contents: file consists of one technical drawing of a motor outline.
Oversize
- File 88 **Operating instructions for portable Electrohome air conditioners.** - 1938-1940.
Contents: file consists of operating instructions for various models of Electrohome portable air conditioners.
- File 89 **Operating instructions for portable Electrohome table type aqueous vapour humidifier.**
- [193-?].
Contents: file consists of operating instructions for Electrohome table type aqueous vapour humidifier.
- File 90 **Production facilities : metal products division.** - [194-?].
Contents: file consists of one brochure for the production facilities of the metal products division of Electrohome. Includes information on products made for the war effort in the Second World War.
- File 91 **Pulwell : component parts list.** - [191-?].
Contents: file consists of a component parts lists for Pulwell motor no. 301.

- File 92 **Pulwell : component parts list.** - [191-?].
Contents: file consists of a component parts lists for Pulwell motor no. 302.
- File 93 **Radiotron chart.** - 1935.
Contents: file consists of one chart for radiotron radio parts.
Oversize
- File 94 **RCA Cunningham.** - 1935.
Contents: file consists of one chart for RCA Cunningham radio parts.
Oversize
- File 95 **Safety signs.** - [199-?].
Contents: file consists of safety signs from the Electrohome plant.
- File 96 **The shaver system of air movement and ventilation.** - [ca. 1936].
Contents: file consists of an information sheet on the shaver system of air movement and ventilation, invented by the J.B. Shaver company of Cleveland.
- File 97 **Tube layout for standard and short wave band A.C. operated superheterodyne receiver.** - 1938.
Contents: file consists of a technical drawing of a the tube layout for standard and short wave band A.C. operated superheterodyne receiver.

Series 3 : Advertising

- Advertising.** - 1917-1973. - 8 cm of textual records.
Contents: series consists of advertising materials created by Electrohome Limited and its predecessors. Includes promotional materials such as brochures as well as advice on sales tactics.
- File 98 **Cullen's music store advertisement.** - [191-?].
Contents: file consists of one reproduction of an advertisement for Cullen's music store in Berlin [Kitchener] noting that they sell Pollock talking machines.
- File 99 **Deilcraft imperial furniture poster.** - 1952.
Contents: file consists of one poster showing the furniture items in the Deilcraft imperial line.
Oversize
- File 100 **Electrohome air conditioner brochure.** - [194-?].
Contents: file consists of a brochure for Electrohome air conditioners.
- File 101 **Electrohome air conditioner brochure.** - [ca. 1936].
Contents: file consists of a brochure for Electrohome air conditioners.
- File 102 **Electrohome air conditioners poster.** - [193-].
Contents: file consists of one poster for Electrohome air conditioners.
Oversize
- File 103 **Electrohome air conditioning sales manuals.** - [193-?].
Contents: file consists of five sales manuals for Electrohome air conditioners.
- File 104 **Electrohome electric mixers brochure.** - [195-?].
Contents: file consists of a brochure for Electrohome electric mixers.
- File 105 **Electrohome humidifier brochure.** - [193-?].
Contents: file consists of one brochure for Electrohome electronic humidifiers.
- File 106 **Electrohome humidifiers brochure.** - [ca. 1933].
Contents: file consists of a brochure for Electrohome humidifiers.
- File 107 **Electrohome humidifiers brochure.** - [ca. 1934].
Contents: file consists of a brochure for Electrohome humidifiers.
- File 108 **Electrohome plants brochure.** - [after 1967].
Contents: file consists of a brochure for Electrohome with a map of locations of plants and a description of what is made at each plant.

- File 109 **Electrohome portable air conditioners booklet.** - [ca. 1940].
Contents: file consists of a booklet on Electrohome portable air conditioners that advertises not only their cooling functions but also the health benefits associated with them in the non-summer months.
- File 110 **Electrohome portable air conditioners brochure.** - [194-?].
Contents: file consists of a brochure for Electrohome portable air conditioners.
- File 111 **Electrohome portable air conditioners brochure.** - [194-?].
Contents: file consists of a brochure for Electrohome portable air conditioners.
- File 112 **Electrohome portable air conditioners brochure.** - [194-?].
Contents: file consists of a brochure for Electrohome portable air conditioners.
- File 113 **Electrohome television catalogue.** - 1973.
Contents: file consists of one catalogue for Electrohome televisions.
- File 114 **Electrohome televisions booklet.** - [196-].
Contents: file consists of a booklet advertising Electrohome colour and black and white televisions.
- File 115 **Free air conditioner offer.** - [194-?].
Contents: file consists of an offer with mail in slip for free air conditioner filters.
- File 116 **General Industries Company : flyer motor parts distributor prices.** - [191-?].
Contents: file consists of a price list for distributors for parts for flyer motors from the General Industries Company of Elyria, Ohio.
- File 117 **Grimes inverse duplex radio brochure.** - [191-?].
Contents: file consists of a brochure for Grimes inverse duplex radios. Grimes was also located in Kitchener and merged with Pollock and Welker Ltd. in 1933 to become Dominion Electrohome.
- File 118 **Horton Electrohome decals.** - [19--].
Contents: file consists of one three decalcomania transfers for Horton Electrohome appliances.
- File 119 **How to sell Electrohome portable air conditioners.** - [ca. 1941].
Contents: file consists of a hand written guide on how to sell Electrohome portable air conditioners.
- File 120 **Marquis air conditioner brochure.** - [194-?].
Contents: file consists of a brochure for Electrohome marquis air conditioners.
- File 121 **Music master radio advertisement.** - [191-?].
Contents: file consists of a magazine advertisement for Music Master radios.
- File 122 **Phonola advertisement.** - 1917.
Contents: file consists of a reproduction of an advertisement from the Kitchener Manufacturer's Association Catalogue for Phonola.
- File 123 **Phonola advertisement.** - 1940.
Contents: file consists of an advertisement for Phonola.
- File 124 **Phonola advertisements.** - [19--].
Contents: file consists of reproduction Phonola advertisements from the Elmira reunion.
- File 125 **Phonola brochure.** - [191-?].
Contents: file consists of a brochure for the latest Phonola model.
- File 126 **Phonola brochure.** - [194-].
Contents: file consists of one brochure for Phonola radios.
- File 127 **Phonola brochure.** - 1941.
Contents: file consists of one brochure for Phonola radios.

- File 128 **Phonola radios brochure.** - [194-?].
Contents: file consists of a brochure for Electrohome Phonola radios.
- File 129 **Phonola travelking car radio.** - [194-?].
Contents: file consists of an advertisement for the Phonola travelking car radio.
- File 130 **Porto Vox leaflet.** - [191-?].
Contents: file consists of a leaflet for Pollock-Welker porto vox. The porto vox was advertised as being for record demonstrating and eliminating the need for sound proof rooms.
- File 131 **Product catalogue.** - [194-?].
Contents: file consists of a hand made product catalogue of electronics made by Electrohome.
- File 132 **Pulwell phonograph motors brochure.** - [191-?].
Contents: file consists of a brochure for Pollock-Welker Ltd. Pulwell phonograph motors.
- File 133 **Pulwell portable phonograph brochure.** - [191-?].
Contents: file consists of a brochure for Pollock-Welker Ltd. Pulwell portable phonographs.
- File 134 **Pulwell portable phonographs and portable electric pickup brochure.** - [191-?].
Contents: file consists of a brochure for Pollock-Welker Pulwell portable phonographs and portable electric pickups.
- File 135 **Star machines price list.** - [191-?].
Contents: file consists of price list for star machines, manufactured by Hawthorne & Sheble of Philadelphia.
- File 136 **Two steps to more sales.** - [194-?].
Contents: file consists of an advertisement for dealers for Phonola products "Dispatch" and "Gazette."
- File 137 **Viking consol television leaflet.** - [196-?].
Contents: file consists of a leaflet for Viking console televisions.

Series 4 : Photographs

- Photographs.** - 1906-1975. - 82 photographs : b&w and col. ; 29 x 36 cm or smaller.
Contents: series consists of photographs created and accumulated by Electrohome Limited and its predecessors. Includes images of employees, products, facilities and manufacturing operations.
- File 138 **Baden tower : photographs, by Roy Purkis.** - [195-?].
Contents: file consists of two photographs of the CKCO-TV tower on Baden Hill.

Photographer : Roy Purkis
Added Entries: Roy Purkis -- photographer
