## GA 378 : Caston, Wayne

**Ontario gravel pit plans collection.** - 1972-2015. - 82 plans.

*Wayne Caston is a Professional Geoscientist, consultant in the aggregates sector, and a lecturer at the University of Waterloo.*

*Contents: collection consists of 82 plans of gravel pits in Ontario. The plans have been collected by Wayne Caston, and he was involved in consulting in many of the projects. The records in this finding aid consist of information taken from an Excel spreadsheet created by Caston with details on each of the plans. A printout of the spreadsheet is also present in the collection. Plans are listed in the order originally provided by the donor on the spreadsheet.*

*Title from content of the collection.*

*Plans are rolled in sets in the same order as they were donated.*

*Donated in 2017 by Wayne Caston.*
