

The Risk of Going Missing Tip Sheet

Roles of a First Responder

- Learn about dementia services available in your community to share with those living with dementia and their caregivers
- Add the person living with dementia to a vulnerable person's registry
- Provide information on identification kits and locating devices
- Respect decisions of persons living with dementia – as long as they are not a risk to themselves or others
- Encourage persons with dementia to share their diagnosis with family, friends, and neighbours so that supports can be put in place to prevent missing incidents
