# MASTER OF TAXATION (MTAX)

innovative > connected > collaborative

The MTax program is the highest quality and most comprehensive program for the development of tax professionals in Canada.

Explore the changing face of domestic and global tax through courses offered in a dynamic learning environment.

With access to the most experienced tax professionals, you'll develop strong technical competencies together with specialized communication, research and collaborative skills. It's an opportunity to ensure relevance in an ever-changing environment.

**E** “With a focus that delivers strong foundational skills including tax research, writing and presentations, the MTax program reaches beyond technical competencies, preparing graduates for roles as high performing members of the tax community.”

JOANNA AGNELLO (MTax 2014)
