The MTax program is the highest quality and most comprehensive program for the development of tax professionals in Canada.

Explore the changing face of domestic and global tax through courses offered in a dynamic learning environment.

With access to the most experienced tax professionals, you’ll develop strong technical competencies together with specialized communication, research and collaborative skills. It’s an opportunity to ensure relevance in an ever-changing environment.

DIVERSE CAREER POSSIBILITIES

› Public accounting firms – Tax area of global firms such as Deloitte, EY, KPMG, and PwC, and regional firms
› Industry – Tax departments of large corporations
› Government organizations (Canada Revenue Agency and Department of Finance)
› Tax-related roles in financial services

LONG TERM CAREER POSSIBILITIES

› Mergers and acquisitions/corporate reorganization
› Closely held private corporations
› Estate planning
› International tax
› Tax risk management
› Corporate taxation
› Transfer pricing

SKILLS AND STRENGTHS UNIQUE TO MTAX GRADS

› Broad-based foundational knowledge with strong analytical abilities
› Reading, interpreting and applying the Tax Act and common law
› Tax research and interpretation skills
› Communication skills for tax professionals
› Learning how to learn

“With a focus that delivers strong foundational skills including tax research, writing and presentations, the MTax program reaches beyond technical competencies, preparing graduates for roles as high performing members of the tax community.”

JOANNA AGNELLO (MTax 2014)

All classes are held at the MTax Centre in downtown Toronto
