<input type="checkbox"/>	STAT 372 Survey Sampling and Experimental Design Techniques for Business	<input type="checkbox"/>	Any AFM, BUS, COMM, ECON, HRM, MSE, PSCI, or STV course
Additional Math Courses - 3 (1.5 units) of math courses (0.5 unit each) from ACTSC, AMATH, CO, CS, MATBUS, MATH, PMATH, or STAT		Elective Courses (3 courses/1.5 units)	
<input type="checkbox"/>		<input type="checkbox"/>	
<input type="checkbox"/>		<input type="checkbox"/>	
<input type="checkbox"/>		<input type="checkbox"/>	

ADMISSION:

Math Faculty Students with a 65% overall average after completing at least 10 courses are eligible for consideration for admission. Please submit a Plan Modification Form (<https://uwaterloo.ca/forms/undergraduate-studies/plan-modification-form>) to the Math Business Administration advisors.

Students not in the Math Faculty must first be admitted to Math before being admitted to the Math Business Administration program.

COURSE REQUIREMENTS:

1. Successful completion of all the required courses.
2. A minimum of 8 "Full-Time Terms" for Co-op students and at least 7 "Full-Time terms" for Regular students.
[A full-time term is a term with final grades in at least 3 courses (1.5 units).]
3. A maximum of 4 courses (2.0 units) failed.

AVERAGE REQUIREMENTS:

1. A "Cumulative Overall Average" (CAV) of at least 60%. [This is the average of all marks in all courses taken during your undergraduate studies in the Math Faculty.]
2. A "Major Average" (MAV) of at least 60%. [This is the average of all math courses - courses with the following prefixes: ACTSC, AMATH, CM, CO, CS, MATBUS, PMATH, STAT.]
3. A "Special Major Average" (SMAV) of at least 60%. [This is the average of all courses with the following prefixes: AFM, BUS, COMM, ECON, HRM, MSE, and MTHEL].

CO-OP REQUIREMENTS (CO-OP DEGREES ONLY)

1. At least 5 successful Work Terms.
2. At least 5 successfully completed "Professional Development" (PD) courses.

CHECKING DEGREE PROGRESS:

If you would like one of the advisors to go over your degree progress may you please...

1. Fill out this checklist.
2. Save it as a pdf document and send it to one of the advisors.
3. If you know which courses you are taking in a future semester please include that in an Excel spreadsheet divided by term. You may want to use the projected course offerings listing so you know which courses within the math faculty are projected to be taught (<https://uwaterloo.ca/math-business-accounting-programs/current-students/projected-course-offerings>).
4. Please note that though we can go over your degree progress, it is the student's responsibility to ensure all degree requirements are met.

NOTES:

*If you take CS 136 or CS 146 you will also need to take CS 136L as a co-requisite. Please note that you will need to put both in Quest at the same time to register into the course for course selection in the upcoming term.

**Please note that taking these courses will satisfy the Math Faculty's communication course requirement (see the calendar for details; at least one course must be from List 1). Please note that you must complete one of these courses by your 2A term.

Students with transfer credits are encouraged to consult with the Math Business Administration advisors.

Any questions or concerns should be directed to the Math Business Administration advisors.
