Faculty of Mathematics
Submission of a Verification of Illness Form (VIF)

First Name: __________________________

Last Name: __________________________

Student ID number: ___________________

I confirm the following:
- I have contacted my instructor(s) for the courses where I have missed an assignment/midterm/test etc.
- I have submitted an original verification of illness form to the Math Undergraduate Office in a timely manner.

I am aware of the following:
- All of my Math (i.e. course subjects: ACTSC, AMATH, CO, COMM, CS, MATH, MATBUS, MTHEL, PMATH, STAT) and Science (i.e., course subjects: BIOL, CHEM, EARTH, MNS, PHYS, SCI, and SCBUS) instructors will be notified of this VIF submission.
- An advisor may contact me if I submit multiple VIFs in one academic term. The advisor will be contacting me to discuss ways to support my academic success.
- Extenuating circumstances other than illness that interfere with meeting course obligations (e.g., bereavement) and their supporting documentation will be considered in a similar manner.
- Submission of a VIF does not guarantee accommodation as the decision rests with your instructor.
