

The importance of courage to our success

WATERLOO
MATH 50
1967-2017

A DISCUSSION WITH GLENN IVES BMATH 1984, CHAIR OF DELOITTE LLP

THURSDAY, JANUARY 26, 2017 | 3:45 P.M. | QNC 0101

In this talk, we'll discuss the importance of courage to our success both as individuals, institutions and the country. From the creation of Waterloo Math 50 years ago to today's students, we'll discuss what lies ahead for our future and what is important for tomorrow's graduates.

Glenn Ives is the Chair of Deloitte LLP, Canada's largest professional services firm. Glenn attended the University of Waterloo, graduating in 1984 on the Dean's Honour Roll with a Bachelor of Mathematics hon. degree.
