Fluid Mechanics

The Department of Mechanical and Mechatronics, in the Faculty of Engineering at the University of Waterloo invite applications from highly qualified candidates for an open tenure-track position in experimental fluid mechanics. It is anticipated that the position will be at the rank of Assistant or Associate Professor, but exceptional cases at the Full Professor rank will be considered.

The successful candidate must hold a PhD in Mechanical Engineering or an equivalent discipline. Duties will include developing and maintaining an active and internationally recognized research program, teaching at the undergraduate and graduate level, and advising graduate and undergraduate students. Applicants must have excellent communication skills and a dedication to research and teaching.

To apply, please send: 1) a cover letter stating the position applying for, 2) a curriculum vitae, 3) a concise research and teaching vision statement, and 4) the names of three references to:

Dr. Amir Khajepour  
Interim Chair, Department of Mechanical and Mechatronics Engineering  
University of Waterloo  
Waterloo, Ontario, Canada N2L 3G1  
Email: mmechair@uwaterloo.ca

Applications will be accepted until December 15, 2017 with an anticipated start date of June 1, 2018. The successful applicant is expected to have an engineering license for practice in Canada or to apply for an engineering license with the Professional Engineers of Ontario within five years of joining the University. The salary range for this position is $100,000 to $150,000. Negotiations beyond this salary range will be considered for exceptionally qualified candidates. Information about the Faculty, Department and Research Group can be found at www.eng.uwaterloo.ca, www.mme.uwaterloo.ca and http://uwaterloo.ca/mechanical-mechatronics-engineering/research/fluid-mechanics-and-fire-behavior

The University of Waterloo respects, appreciates and encourages diversity and is committed to accessibility for persons with disabilities. We welcome applications from all qualified individuals including women, members of visible minorities, Aboriginal peoples and persons with disabilities. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority in the recruitment process.
