Was this a typical service? If no, describe variations from normal on back of sheet.

Include additional comments on the back of this sheet. Please send this form, a church bulletin, and a cassette tape, or DVD or CD of the entire worship service to the Mennonite Archives of Ontario, Conrad Grebel University College, 140 Westmount Rd. N. Waterloo, N2L 3G6.

The purpose of this project is to record a cross-section of typical Mennonite worship services, not special events. We would like to have sermons from each pastor who has served your congregation. If you have available tapes of sermons by former pastors we would like to make copies of them.
